TOP 3 UNIQUE FACTS

- MU Health Care is the region's only health system with a children's hospital, Level 1 trauma center and Comprehensive Stroke Certification.
- Our health care experts offer services in more than 80 specialties and subspecialties, providing the full spectrum of care to people in our 25-county service area.
- The completion of the Roy Blunt NextGen Precision Health Institute in 2021 means our patients, physician-educators and students in the School of Medicine benefit from the latest research-based innovations in care.
