Variable			
Name & Description:	Back Load RR Series Select Variable Annuity (RRVA).		
Withdrawal Fees:	The first \$100,000 paid to a Back Load RRVA will begin in a 6% withdrawal charge category and runs for three consecutive years. The next \$400,000 will begin in a 4% withdrawal charge category. The next \$500,000 will begin in a 2% Withdrawal charge category. Withdrawal charges decrease one percent as of each contract anniversary. Surrender charges only apply to purchase payments, not to investment growth. Purchase payments in the lowest surrender charge categories are distributed first for partial withdrawals. Withdrawal charges are waived upon annuitization of a Back Load RRVA when a variable payment plan is elected lasting five or more years, or when a fixed life income payment plan or an installment income plan (Option B/Conditional Withdrawal) of 12 years or more is elected after the first contract anniversary. Withdrawal charges are also waived upon the annuitant's death.		
Front End Load Fees:	None		
Administrative Management Fees:	<u>Annual Policy Fee:</u> A \$30 annual contract fee is deducted from a Back Load RRVA on the contract anniversary. The annual contract fee is waived for Back Load RRVA contracts that have an accumulation value of \$25,000 or more on the anniversary. <u>Investment Advisory Fee:</u> 0.21 to 1.10% annually <u>Annuity Expenses:</u> 1.25% annually <u>Russell Funds-Investment Advisory Fee:</u> 0.70% to 1.15% annually
