

## SPINAL CORD INJURY/DISEASE RESEARCH PROGRAM (SCIDRP) PROPOSAL REVIEW FORM

<b>Reviewer's name:</b>	<b>Due Date:</b>
-------------------------	------------------

**Principle Investigator(s):**  
**Dept / Institution:**  
**Title of Proposal:**

Please e-mail the completed Review Form to:

Andrew McClellan, PhD, Director, SCIDRP

E-mail: [McclellanA@missouri.edu](mailto:McclellanA@missouri.edu)

Tel: 573-882-1447

**Please use the following scale in your ratings for Items I and III:**

<b>1</b>	<b>2</b>	<b>3</b>	<b>4</b>	<b>5</b>	<b>6</b>	<b>7</b>	<b>8</b>	<b>9</b>	<b>10</b>
outstanding	excellent	very good	good	average		fair		poor	disapprove

**I.** Rate each of the following using the 10-point scale above. Use whole numbers only. (It is **not** necessary for the average of these ratings to equal the **overall rating** below):

<b>Categories</b>	<b>Ratings</b>
(a) Innovativeness of ideas	
(b) Appropriateness of methodology and techniques	
(c) Clarity of presentation	
(d) Importance of research to individuals with <b>spinal cord injuries</b> and/or <b>spinal cord diseases</b>	

**II.** Is the budget appropriate? \_\_\_\_\_ Yes \_\_\_\_\_ No If no, please explain.

**III.** Overall score:

Using the 1-to-10 point scale above, what is your <b>Overall Rating</b> of the proposal?	
--	--

**IV.** Confidential comments (not seen by the applicants). (a) This section should be relatively brief. Do not include information or comments only in this section that might be helpful to the applicant(s) in revising the proposal. If you have comments regarding funding/not funding for this proposal, please state them here and **not** in Section V. (Please type below, and continue on subsequent pages, if necessary).

(b) Do you think the weaknesses of the proposal can be addressed by the applicant(s)? Would you encourage the applicant to revise and resubmit this proposal?

**V.** Comments for the applicants: Evaluate the proposal based on the stated criteria. Note in particular the strengths and weaknesses of the proposal, and add any other relevant observations. Also, you may wish to comment on **Categories a, b, c, and d** above. Please do not make any statements about the prospects of funding or not funding the proposal. (Please type below, and continue on subsequent pages, if necessary).
