

MISSOURI

**ADDENDUM NUMBER 1
DATED APRIL 4, 2018
TO
SPECIFICATIONS TO REQUEST FOR PROPOSALS #18-4003-HR-U
FOR A
DATA INTEGRATION AND DEVELOPMENT ENVIRONMENT
DATED MARCH 19, 2018**

The above entitled specifications are hereby modified as follows and except as set forth herein otherwise remain unchanged and in full force and effect.

Section 10.3. is hereby amended as follows:

The proposed solution must have existing large-scale statewide or multi-district implementations.

Section 10.9. is hereby deleted in its entirety.

Section 11.1.b. is hereby amended as follows:

List where the proposed solution has been used for large-scale statewide or multi-district implementations. Describe at least one such implementation including the scope and size of the implementation and how long it has been in use (your statewide implementation is preferred).

Section 11.1.b.(i.) is hereby added as follows:

List where the proposed solution has been used for statewide implementations incorporating the State’s unique student ID system (basis for statewide reporting service). Describe at least one such implementation including the scope and size of the implementation and how long it has been in use.

Section 11.2.a. is hereby amended as follows:

List the educational applications supported in your solution. Describe the level of integration between each pair of educational applications, including:

- i. Supported data exchange standards (i.e. SIF, Ed-Fi, IMS Global, One Roster, etc.)
- ii. Bi-directionality of the data exchange and the data which is exchanged.
- iii. The proposed solution support for event-driven integration.
