UM System Statewide Footprint

Economic and Community Development Highlights

- In 2019, Business Development Specialists worked with small businesses and entrepreneurs statewide to create or retain 20,283 jobs.

  For every dollar invested from 2015 to 2017, the MU Extension Business Development Program has returned $120 in economic impact for its clients by increasing sales more than $1.19 billion. For a total impact of $2.7 billion, the program has generated more than 29,000 jobs and attracted nearly $347 million in capital investments and $1.17 billion in government contracts.

- Between FY14 and FY19, UM System brought Missouri more than $1.09 billion in federal and private research funds, funded primarily from outside the state but spent within the state.

  In FY20, UM System was issued 42 patents and filed 41 new U.S. patent applications.

- In FY20, UM System construction projects resulted in a total investment in the state of $113.4 million.

  In FY20, Missouri Telehealth Network brought the expertise of University of Missouri Health Care physicians to underserved areas—45,057 visits from 35,640 patients from all 114 Missouri counties and the City of St. Louis.

Education and Training Provided

- 72,581 police, fire fighters, and medical professionals attending continuing education (2018)
- Agriculture and natural resource programs served 138,921 farmers and related businesses (2019)
- 300,807 youth and stakeholder educational contacts in 4-H clubs, schools, camps and other programs (2019)

Supporting the University of Missouri is an investment in the future of Missouri.

The university advances Missouri citizens and communities through its mission of teaching, research, public service, and economic development across our four campuses and University of Missouri Extension.
