District services provided

Health care
- 25 in-state patients seen at UM Health Care, with $4,509 of uncompensated care
- 48 in-state patients seen at UMSL Center for Eye Care with a statewide average of $74.09 per patient in uncompensated care

Extension
- 16,483 Total educational contacts from MU Extension to residents of district counties, including:
  - 65 contacts related to productive farming, better gardening, and managing natural resources
  - 10,586 contacts related to healthy eating and aging, strengthening families, personal finance, or youth development
  - 5,832 contacts related to starting businesses, developing community leaders, or renewing the local economy
Economic and Community Development Highlights

- Business development specialists worked with small businesses and entrepreneurs statewide to create or retain 20,283 jobs.
  
  For every dollar invested in University of Missouri Extension $11 of public value is returned; generating $945 million in direct and economic benefit to Missouri in 2016.

- Between FY2013 and FY2018, UM System brought Missouri more than $1.08 billion in federal and private research funds, funded primarily from outside the state but spent within the state.

  In 2019, the university was issued 59 patents and filed 47 new U.S. patent applications.

- In 2019, the UM System construction projects resulted in a total investment in the state of $144.9 million.

  In FY 2019, Missouri Telehealth Network brought the expertise of University of Missouri Health Care physicians to underserved areas—1,304 patient consults in 103 counties.
