State Senate District 21

UM System Statewide Footprint

Economic and Community Development

Highlights

- Business development specialists worked with small businesses and entrepreneurs statewide to create or retain 20,283 jobs.

  For every dollar invested in University of Missouri Extension $11 of public value is returned; generating $945 million in direct and economic benefit to Missouri in 2016.

- Between FY2013 and FY2018, UM System brought Missouri more than $1.08 billion in federal and private research funds, funded primarily from outside the state but spent within the state.

  In 2019, the university was issued 59 patents and filed 47 new U.S. patent applications.

- In 2019, the UM System construction projects resulted in a total investment in the state of $144.9 million.

  In FY 2019, Missouri Telehealth Network brought the expertise of University of Missouri Health Care physicians to underserved areas—1,304 patient consults in 103 counties.

Education and Training Provided

- 72,581 police, firefighters, and medical professionals attending continuing education (2018)
- Agriculture and natural resource programs served 138,921 farmers and related businesses
- 300,807 youth and stakeholder educational contacts in 4-H clubs, schools, camps and other programs

Education Highlights

- UM System awarded 53.6% of Missouri’s 32,200 bachelor’s or higher degrees from four-year public institutions in Academic Year 2017-2018.

- In 2019, UM System’s $22.6 million in National Science Foundation (NSF) grants represented 85.6% of all NSF grants made to Missouri public colleges and universities.

Supporting the University of Missouri is an investment in the future of Missouri.

The university advances Missouri citizens and communities through its mission of teaching, research, public service, and economic development across our four campuses and University of Missouri Extension.
