Addendum 1, dated January 22, 2020

<p>The RFP deadline has been extended to January 31, 2020 at 2:00 p.m. CT. The University has been closed for winter weather and the Martin Luther King holiday. This extension is being granted so bidders have an opportunity to review the information in this addendum and provide a response.</p>	
QUESTION	ANSWER
<p>I am writing to ask if the recently released RFP is an exclusive contract. Our company is interested in applying to be a part of the Columbia and University of Missouri community as a micromobility provider.</p>	<p>Yes, this will be an exclusive contract</p>
<p>I have a question regarding Section 12, Instructions for Proposal Response.</p> <p>Volume I states that a response must contain "Response to Information for Respondents and General Conditions." However, I cannot find any section with this title. Is this referring to the Authorized Respondent Representation and Supplier Registration Information forms?</p>	<p>Bidders need to provide responses to the "Mandatory Criteria" on page 31 and the "Desirable Criteria" on page 32.</p>

<p>Also, Volume II requests a "Financial Summary including additional costs" but again, I cannot find any section referencing a Financial Summary or what is being requested here.</p>	<p>There is no section. Bidders need to include/provide a summary for additional cost with their response</p>
<p>Will the University / City please confirm whether "Pricing Schedule" and "Financial Summary" are synonymous?</p>	<p>Yes, they are synonymous</p>
<p>Will the University / City please confirm whether Volume II of the response and "Financial Section" are synonymous, or whether "Financial Section" is a sub portion of Volume II?</p>	<p>Yes, they are synonymous</p>
<p>Will the University / City please explain which items are included in "Response to Information for Respondents and General Conditions"?</p>	<p>Bidders need to provide responses to the "Mandatory Criteria" on page 31 and the "Desirable Criteria" on page 32.</p>
<p>Volume I states "This section includes all response information, except pricing information and Supplier Diversity Participation Form." This statement implies that the Supplier Registration Form is included in Volume I, rather than paired together with the Supplier Diversity Form in Volume II. Will the University / City please confirm whether these two documents are</p>	<p>Bidders may include this information in Volume I</p>

<p>to be submitted together, and if so, in which Volume?</p>	
<p>Will the University / City please confirm that the bulleted list of requirements on RFP page 7 under "Section 5. Purpose" shall be required only after award of the proposal, and not upon submission of the proposal?</p>	<p>University will require that all bullet points in Section 5 be met when a bidder submits their response. However, the last bullet point "Conduct a successful test of established geofences with MU staff and City" will not be required before submission.</p>
<p>Will the University / City confirm whether the sworn affidavit discussed on page 26 of the RFP will be due after award of the proposal, and not upon submission of the proposal?</p>	<p>After the proposal is awarded and contract is signed</p>
<p>Will the University / City explain whether the 500 vehicle fleet size includes the 150 vehicles on MU campus, or whether the 150 vehicles on campus is in addition to 500 vehicles in the City?</p>	<p>That is correct – 150 at MU and 350 at City</p>
<p>Will the University / City confirm that the "effective date" is the date of execution of an agreement after award of the proposal?</p>	<p>The "effective date" will be the date listed in the contract document.</p>

<p>Will the University / City confirm that fees paid "to MU and City" are to be paid as a payment to MU and the City collectively or MU and the City each individually?</p>	<p>The payments will be made separately to the University and City</p>
<p>Will the University / City confirm whether the Appendix will be graded?</p>	<p>Are you referring to Attachment A & B on pages 35 & 37 of the RFP? If so, then yes these areas will be scored.</p>
