For consulting services and/or contract labor services performed for MU Health Care, the hourly rate and the number of hours worked must be included in the agreement and/or on the invoice submitted. Payment will not occur unless this information has been provided.

The University encourages suppliers to opt into its Single-Use Account (SUA) credit card program for payment of invoices. If the supplier submits with the Request for Proposal any information claimed to be exempt under the Revised Statues of Missouri, Chapter 610, this information must be placed in a separate envelope and marked with:

"This data shall not be disclosed outside the University or be duplicated, used, or disclosed in whole or in part for any purpose other than to evaluate the Request for Proposal; however, if a contract is awarded to this Supplier as a result of or in connection with the submission of such information, the University shall have the right to duplicate, use, or disclose this information to the extent provided in the contract. This restriction does not limit the University's right to use information contained herein if it is obtained from another source."
6. EVALUATION AND CRITERIA FOR AWARD OF PROPOSAL

Respondents must meet the mandatory/limiting criteria to be “qualified” for scoring. If requirements are not met, the respondents are disqualified from further evaluation/award. Qualified remaining respondents will be scored on their ability to meet scored desirable criteria, which includes qualitatively, how specifications are met. A team of University individuals will evaluate and assign points to vendors’ responses to the evaluation questions. At the sole option of the University, the functional/technical review team may decide to go on a site visit, at their expense, or request vendors to perform a presentation/demonstration to confirm specifications are met as provided in responses. The University could elect to not award to a potential respondent if site visits/presentations revealed compliance inconsistency.

The University may request vendors selected as finalists to come onsite to the University, at the vendor’s expense, for presentations as part of the RFP selection.

Proposals will be awarded based upon the functional and financial evaluation.

7. INSURANCE REQUIREMENTS

The Consultant shall provide and maintain, during the life of the Agreement, insurance acceptable to the University which will afford protection and coverage in accordance with the requirements set forth below:

Commercial General Liability Coverage comparable to Comprehensive General Liability coverage to protect the Consultant and any Sub-consultant performing work covered by this Agreement from claims for damages for personal injury, bodily injury (including wrongful death), and from claims for property damage which may arise from the operation under the Agreement. The coverage will provide protection for all operations by the Consultant or any Sub-consultant or by anyone directly or indirectly employed by either of them. In addition, the coverage is to include "The Curators of the University of Missouri" as "Additional Insured." The amount of the insurance shall not be less than a minimum of $1,000,000 combined single limit, per occurrence and aggregate, for both bodily injury and property damage combined.

In lieu of the “Additional Insured” endorsement, an Owners-Contractors-Protective policy may be provided evidencing “The Curators of the University of Missouri” as the Named Insured.

Professional Liability Insurance will be provided by the Consultant to cover any claims, including but not limited to errors and omissions, which may arise from the work performed by the Consultant, Sub-consultant, or anyone directly or indirectly employed by them. The coverage provided will not be less than $1,000,000 per occurrence and aggregate.

All insurance shall be procured through agencies and be written by insurance companies which are acceptable to and approved by the University, e.g., all coverage should be placed with Insurance Carriers that are licensed to do business in the State of Missouri as an admitted Carrier and all coverage placed are subject to the University's approval as to form.
and content, as well as Carrier. All required coverage shall be obtained and paid for by the Consultant.
The Consultant shall furnish the University with certificates, policies or binders which indicate the Consultant and/or the University and other Consultants (where required) are covered by the required insurance showing type, amount, class of operations covered, effective dates and dates of expiration of policies prior to the University issuing a Notice to Proceed.

8. PAYMENT TERMS AND CONDITIONS

Payment in full will be made within thirty (30) days after receiving invoices for good/services rendered as meeting all performance specifications. The University reserves the right to withhold a portion of the payment until the services have been completed. Any different payment terms desired by the respondent must be clearly stated and may or may not be accepted by the University.

Preferred settlement method is through the use of Electronic Accounts Payable solutions. Payment terms associated with these forms of payment will be issued as net 30 after the date of invoice. Payment terms associated with settlement by check will be considered to be net 30 days. Cash discounts for prompt payment may be offered but they will not be considered in determination of award unless specifically stated in the Detailed Specifications and Special Conditions. The University may withhold payment or make such deductions as may be necessary to protect the University from loss or damage on account of defective work, claims, damages, or to pay for repair or correction of equipment or supplies furnished hereunder. Payment may not be made until satisfactory delivery and acceptance by the University and receipt of correct invoice have occurred.

The University encourages suppliers to opt into its Single-Use Account (SUA) credit card program for payment of invoices. The SUA is an electronic, credit card-based payment solutions that acts like a check. It provides a single 16-digit virtual account number for each payment. Similar to a check, the credit limit on each SUA is set to the specific payment amount. Payment terms for Suppliers who participate in the SUA program are Net 10 as opposed to the standard Net 30 terms.

SUPPLIER DIVERSITY PARTICIPATION FORM

The University of Missouri System is committed to and supports supplier diversity as an essential part of the University’s mission and core values. The University’s Supplier Diversity efforts reflect this mission.

Tier 2 Supplier Diversity Information - The University strongly encourages Supplier Diversity participation in all of its contracts for goods and services. Tier 2 Spend is spend reported by primary (non-diverse) suppliers of the University of Missouri who subcontract work to, or make purchases from a diverse supplier. Depending upon the contract, primary (non-diverse) suppliers will be asked to submit Tier 2 information with Women and Diverse Owned companies. Suppliers have two options in reporting Tier 2 dollars depending on the terms of the contract: Direct and Indirect. Awarded suppliers may be asked to utilize CVM Solutions for reporting Tier 2 spend.

- **Direct dollars** - those dollars directly spent with Women and Diverse Owned suppliers in the fulfillment of the contract.

- **Indirect dollars** - based on a percentage of revenue the University represents to the supplier. An example is as follows:
  - Supplier’s Total Revenues: $10,000,000
  - Revenues from University $: $4,000,000
  - University % of Total Revenues: 40% (#2 divided by #1)
  - Total MBE Dollars $: $150,000
  - Total WBE Dollars $: $150,000
  - Total University Attributable MBE $: $60,000 (#3 multiplied by #4)
  - Total University Attributable WBE $: $60,000 (#3 multiplied by #5)
  - Total University Attributable MWBE $: $120,000 (Sum of #6 and #7)
  - University % Attributable Revenue: 3% (#8 divided by #2)

1. Does your company have a Supplier Diversity Program? If so, describe efforts your company has made to increase business with Women and Diverse Owned businesses (i.e. does your company have a policy statement, participate in outreach activities, promote diverse firm subcontracting, publicize contract opportunities, provide certification assistance, etc.?) Please provide examples (use additional pages if needed): ________________________________
