PROPOSAL REQUEST 21014
DATED: September 16, 2020

The above entitled specifications are modified as follows and except as set forth herein remain unchanged and in full force and effect:

Modification: The RFP deadline is extended to **September 23, 2020 at 2:00 P.M.**

1. **Question:** Please provide more information regarding the desire to have a “vast offering of content and curriculum”.
Answer: MUHC is seeking proposals from firms that will provide complete and comprehensive training, online and hard copy materials and certifications for basic, advanced adult and pediatric life savings that is in accordance with current best practices and gold standards.
2. **Question:** Is any answer of “No”, regardless of our explanation, considered grounds to be removed from further consideration?
Answer: Respondents must meet the mandatory/limiting criteria to be “qualified” for scoring. If requirements are not met, the respondents are disqualified from further evaluation/award.
3. **Question:** We currently have an active master service agreement. This shall prevail over the terms and conditions and prevail over the contract termination and payment terms stated in the RFP.
Answer: Terms and conditions, contract termination and payments terms listed in the RFP prevail over a master service agreement. If vendor requires modifications to terms or conditions contract termination and payments terms, those should be included in the RFP submission.
4. **Question:** Could you let us know the amount of students you anticipate would be using the Program, for BLS, ACLS, and PALS respectively?
Answer: Currently, we estimate BLS at 7,080, ACLS at 2,200, and PALS at 1200.
