Questions and Answers

- Question:** Due to COVID-19, would you still like the RFP to be physically mailed to the University of Missouri? Or can it instead be transmitted in a secure, electronic format?
Answer: Yes, per University policy the submission must be physically mailed. The submissions must be received by the date and time listed in the RFP
- Question:** How many athletes annually does the University of Missouri anticipate tracking within the electronic health record?
Answer: 500-550
- Question:** How many users (AT's, Physio, Doctors, Coaches, etc...) does the University of Missouri anticipate needing access to the electronic health record?
Answer: 25
- Question:** Will you be requiring additional customization for general integration with a third-party system? If so, which systems?
Answer: Yes, AG Administrators, who is our third party administrator
- Question:** Is single sign-on functionality a requirement for Go-Live or can it be incorporated at a later date?
Answer: The preference is to have the single sign-on set up for go live. If that isn't possible, the supplier needs to include their timeline and specifics within the RFP submission. This information, if applicable, must be included as part of Volume I
