QUESTION	ANSWER
On pages 37-41, the RFP references vendor employee requirements needed to perform their duties. Can you please provide more specifications on what will need to be completed in terms of background checks, etc.?	Attachment C is no longer applicable to a beverage service delivery company. Please disregard these requirements at this time for MUHC delivery requirements.
On page 14, the RFP references 2.5M annual transactions. Can you please clarify if these transactions figures are related to beverage transactions only?	These figures include all transactions, even if a beverage is not included.
Could you please provide a breakdown of beverage transactions by location type as listed below? a. Dining Room - meal plan inclusion b. C Stores c. All other	The system will not tell us how many of the 2.5m transactions had a beverage on the ticket, but we are able to pull items purchased.  FY 21 – drinks purchased Dining Room: 323,094 C Stores: 512,683 All Other: 338,678  About 25% of all items purchased were beverages from a distributor. (These numbers does not include drinks made in our units)

Does the University purchase paper cups and, if so, can you please provide an estimated annual quantity purchased by size and type?	1oz - 12,500, 2oz - 48,000 3.5oz - 10,000, 4oz - 18,500, 5oz - 3,000, 9oz - 7,000 12oz - 35,000 16oz - 123,000 20oz - 11,000 21oz - 77,000 & 32oz - 8,200
Can you please provide some details on your meal plan program and how it currently works? For example, is it a tiered plan that includes beverages with all tiers?	Our meal plans are based on how many dollars the student has to spend. If they go to an all you care to eat location, a beverage is included with the meal. A beverage is purchased separately at all other units.
On page 15, the RFP references hypertonic beverages. Can you explain what products are included in this category and provide some examples?	Hypertonic drinks are recovery drinks and often contain added protein.
Does the RFP cover the entirety of the water beverage category (i.e., still, flavored, ingredient enhanced, sparkling, premium waters)?	Yes
Does the RFP include the Protein Drink category (i.e., Core Power as a product example)?	Yes
Please confirm the types and quantities of both postmix fountain and bottle/can cooler equipment required by location. For example, at the residential dining facilities, will the University need an 8 valve Ice Combo (for self-serve) or a Drop-In (for crew serve) unit and how many of each type? Will the University need bottle/can cooler equipment at the residential dining facilities and, if so, please note what type (i.e., large 2 door cooler) and quantity needed?	All units have their own ice makers. The fountain units will need to adapter plates added to fit our machines. As of this time, we do not use bottle/can cooler equipment, but reserve the right to request them as our needs change in the future.
