## **BID REQUEST AND BID CONDITIONS**

This Bid Request and Bid is made upon and subject to the following conditions, all of which are accepted by bidder. Upon acceptance by University, this Bid Request and Bid and the University Purchase Order issued thereon shall constitute the contract for furnishing the items described in the bid in strict conformity with the contract instruments.

1. No oral explanation regarding the meaning of the specifications will be made, and no oral interpretation will be given before the award of the contract. If any person contemplating submitting a bid for this contract is in doubt as to the true meaning of any part of the specifications or any other proposed contract documents, they may submit to the University a written request for an interpretation thereof. The person submitting the request will be responsible for its prompt delivery. Any interpretation of the proposed documents will be made by addendum duly issued or delivered to each person receiving a set of such documents. The University will not be responsible for any other explanation or interpretations of the proposed documents.
2. The University reserves the right to reject any and all bids and to waive any informality in bids.
3. Whenever the name of a manufacturer or vendor is mentioned herein and words "or equal" do not follow, it shall be deemed that the words "or equal" shall follow such designation unless the context specifies "no substitution". University assumes that items bid as equal are equal. University reserves the right to return at the bidder's expense all items that are furnished which are not acceptable as equals to items specified by the Bid Request and Specifications, and supplier agrees to replace such items with satisfactory items at the original bid price.
4. Unless it is so noted on the bid it will be deemed that the article furnished is that designated. If the supplier proposes to furnish an item of a different manufacturer or supplier other than the one specified on the face hereof, the manufacturer or supplier of the substituted items shall be noted and complete descriptive literature describing the items to be substituted must accompany the bid.
5. All items bid shall be new unless otherwise specified by the University.
6. Bidder agrees to unconditionally guarantee all items bid upon against defects in material and workmanship for a period of one year from the date of acceptance by the University unless otherwise specified.
7. Materials and services furnished the University are not subject to either Federal Excise Taxes or the Missouri Sales Tax. Exemption certificates will be furnished on request.
8. Prices quoted are to be firm and final, and prices shall be stated in units of quantity specified with packing and drayage charges included.
9. Shipments shall be marked as directed on the Purchase Order.
10. All deliveries shall be made FOB Destination with freight charges fully included and prepaid. C.O.D. shipments will not be accepted. The seller must pay and bear all freight charges.
11. The University will not be responsible for articles or services furnished without a Purchase Order.
12. Risk of loss or damage to the goods prior to the time of their receipt and acceptance by the University is upon the supplier.
13. All invoices and correspondence shall show the Purchase Order Number. All invoices must contain full descriptive information on items or service furnished. Separate invoices shall be rendered for each order and forwarded to the University.
14. Supplier agrees to defend, protect, and save the University harmless from all claims and actions arising out of patent infringement.
15. University reserves the right to cancel all or any part of orders if shipment is not made as promised. Supplier shall notify the University if shipment cannot be made as promised. Time of proposed delivery must be stated in definite terms in the space provided.
16. The bidder hereby guarantees that no article listed herein is adulterated or misbranded within the meaning of the Federal Food, Drug and Cosmetic Act or an article which may not, under the provisions of Federal Law, be introduced into interstate commerce.
17. Samples, when required, are to be furnished prior to the date specified for receipt of bids.
18. In case of any doubt or difference of opinion as to the items to be furnished hereunder or the quality thereof, the decision of the UM Chief Procurement Officer shall be final and binding upon both parties.
19. The University reserves the right to award an order to the lowest aggregate bidder for all items or on an item basis, or a group of like items, whichever is found to be in the best interest of the University. If a split award is not acceptable to a bidder, it must be stated in the bid response.

20. In awarding the contract, the University may take into consideration the skill, facilities, capacity, experience, ability, responsibility, previous work, the financial standing of the bidder or bidders; the amount of other work being carried on by the bidder; the quality, efficiency, and construction of the equipment proposed to be furnished; the period of time within which the equipment is to be furnished and delivered; and the necessity of prompt delivery of the items herein described. The inability of any bidder to meet the requirement mentioned above may be cause for rejection of his bid.
21. In the event time and materials are a portion of this bid, the University reserves the right to audit supplier's records concerning this bid.
22. All items or services to be furnished hereunder shall meet all applicable State and Federal requirements of the Occupational Safety and Health Standard. All alleged violations and deviations from said State and Federal regulations or standards of the items of services to be furnished hereunder, must be set forth on the Bid Form at the time of submission of the bid. Or if at any later date the items or services contained herein shall not meet all applicable state and federal requirements after the bidder is awarded the contract hereunder, the bidder must notify UM Procurement immediately in writing.
23. The University serves from time to time as contractor for the United States Government. Accordingly, the provider of goods and/or services shall comply with federal laws, rules, and regulations applicable to subcontractors of government contracts including those relating to equal employment opportunity and affirmative action in the employment of minorities (Executive Order 11246), women (Executive Order 11375), persons with disabilities (29 USC 706 and Executive Order 11758), and certain veterans (38 USC 4212 formerly [2012]) contracting with business concerns with small disadvantaged business concerns (Publication L. 95-507). Contract clauses required by the Government in such circumstances are incorporated herein by reference.
24. As required by Section 508 of the Rehabilitation Act (36 C.F.R., Pt. 1194) and other state and federal laws, the University requires that all products provide equivalent ease of use for individuals with disabilities as for non-disabled individuals. To fulfill this obligations, Bidder shall: (1) ensure that all products comply with the Web Content Accessibility Guidelines (WCAG); (2) provide the University with an Accessibility Conformance Report; (3) respond promptly to accessibility complaints or reported deficiencies at no cost to the University; and (4) indemnify and hold the University harmless in the event of any claims arising from inaccessibility.
25. Bidder certifies to the best of its knowledge and belief that it and its principals are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency in accordance with Executive Order 12549 (2/18/86).
26. If this bid involves health care services or products, the Bidder agrees to maintain, and will further assure such compliance by its employees or subcontractors, the confidential nature of all information which may come to Bidder with regard to patients of the University. All services provided pursuant to this bid shall be provided in accordance with all applicable federal and state laws, including The Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, sections 261-264, the Administrative Simplification sections and the regulations promulgated pursuant thereto and regulations of the Joint Commission on Administration. Bidder represents that Bidder is not currently excluded or threatened with exclusion from participating in any federal or state funded health care program, including Medicare and Medicaid. Bidder agrees to notify the University of any imposed exclusions or sanctions covered by this representation.
27. If the contract resulting from this bid involves the acquisition of disposal of services, supplies, information technology, or construction and has a total potential value of \$100,000 or more, and if awarded supplier is a company with ten (10) or more employees, then Supplier certifies that it, and any company affiliated with it, does not boycott Israel and will not boycott Israel during the term of this Contract. In this paragraph, the terms "company" and "boycott Israel" shall have the meanings described in Section 34.600 of the Missouri Revised Statutes.
28. Any contract issued as a result of this RFB shall be construed according to the laws of the State of Missouri. Additionally, the awarded supplier shall comply with all local, state, and federal laws and regulations related to the performance of the contract to the extent that the same may be applicable.
29. In accordance with University policy, preference shall be given to Missouri products, materials, services, and firms when the goods or services to be provided are equally or better suited for the intended purpose. In assessing overall value, consideration will be given to the extent to which proximity or Missouri preference of the supplier provides potential advantages or reduction of risks. Firms are considered "Missouri firms" if they maintain a regular place of business in the State of Missouri.
30. In connection with the furnishing of equipment, supplies, and/or services as a result of this bid, the contractor and all subcontractors shall agree not to discriminate against any recipients of services, or employees or applicants for

employment on the basis of race, color, religion, national origin, sex, age, disability or veteran status. The contractor shall comply with federal laws, rules, and regulations applicable to subcontractors of government contracts, including those relating to equal employment of minorities, women, persons with disabilities, and certain veterans. Contract clauses required by the United States Government in such circumstances are incorporated herein by reference.

- 31.** Due to the changing nature of the COVID-19 pandemic, awarded supplier will monitor and comply with CDC and other federal, state and local guidance; modifications to University operating procedures; and directives of University relating to protection of the health and safety of the University community.
- NOTIFICATION TO UNIVERSITY IN EVENT OF POSITIVE COVID-19 CASE: In the event any of the successful Contractor's personnel who have or are presently performing services for the University of Missouri (a) tests positive for COVID-19, or (b) has been in close contact with someone that tests positive for COVID-19, the successful Contractor shall immediately notify the University designated contact, and take immediate action to quarantine such person and any other Contractor Personnel who may have come in contact with the person testing positive for COVID-19, and assist University in identifying any other persons on the University campus who may have come in contact with such person. Contractor must clean and disinfect all areas any infected person may have contacted on University's campus, and any cleaning or sanitation costs resulting from a positive COVID-19 test of Contractor personnel are the sole cost and responsibility of Contractor.
- 32.** Suppliers shall refrain in offering any offers of gifts to the University and all University of Missouri employees in accordance with University of Missouri Policy, #26301, Suppliers.
- 33.** The University reserves the right, in its best interest as determined by the University, to cancel the contract by giving written notice to the Supplier thirty (30) days prior to the effective date of such cancellation.
- 34.** Preferred settlement method is through the use of Electronic Accounts Payable solutions. Payment terms associated with these forms of payment will be issued as net 30 after the date of invoice. Payment terms associated with settlement by check will be net 30 days. Cash discounts for prompt payment may be offered but they will not be considered in determination of award unless specifically stated in the Detailed Specifications and Special Conditions. The University may withhold payment or make such deductions as may be necessary to protect the University from loss or damage on account of defective work, claims, damages, or to pay for repair or correction of equipment or supplies furnished hereunder. Payment may not be made until satisfactory delivery and acceptance by the University and receipt of correct invoice have occurred. For consulting services and/or contract labor services performed for MU Health Care, the hourly rate and the number of hours worked must be included in the agreement and/or on the invoice submitted. Payment may not occur unless this information has been provided. The University encourages suppliers to opt into its Single-Use Account (SUA) credit card program for payment of invoices. The SUA is an electronic, credit card-based payment solution that acts like a check. It provides a single 16-digit virtual account number for each payment. Similar to a check, the credit limit on each SUA is set to the specific payment amount. Payment terms for Suppliers who participate in the SUA program are Net 0 as opposed to the standard Net 30 terms. No additional fees shall be charged for the use of University credit cards.
- 35.** The intended coverage of this RFB, and any contract resulting from this solicitation, shall be for the use by all faculty, staff, students, departments, locations, and affiliates of the University of Missouri, including MU Health Care. The University of Missouri System seeks to make the terms and prices of this bid available to other public entities and higher education institutions. Extension of the terms and prices to any or all other higher education institutions and public entities is at the discretion of bidders and shall not be considered in the award of this bid. The bidder shall further understand and agree that participation by other higher education institutions and public entities is discretionary on the part of these institutions, and the University of Missouri System bears no financial responsibility for any payments due the supplier by such entities, nor will the University be responsible for contract administration other institutions.

**UNIVERSITY OF MISSOURI  
SPECIAL CONDITIONS & DETAILED SPECIFICATIONS**

University of Missouri Procurement is requesting bids for the furnishing and delivery of HIGH RESOLUTION LCMS/MALDI IMAGING SYSTEM for University of Missouri – ROLLA S & T Chemistry Department.

All quantities are estimated based upon anticipated needs. The University reserves the right to order more or less as needed. Instructions for ordering will be provided at time of notice of award and/or issuance of purchase order.

**AWARD:**

The award will be based on lowest bid meeting all specifications. The University reserves the right to award an order to the lowest aggregate bidder for all items or on an item basis, or a group of like items, whichever is found to be in the best interest of the University. **If a split award is not acceptable to a bidder, it must be stated in the bid response.**

**Note:** The University of Missouri reserves the right to negotiate best and final terms with the bidder selected.

**CONTRACT TERM:**

The contract period shall be from date of award for one (1) year.

Pricing shall remain firm for the initial term of the contract.

The Curators of the University of Missouri is a public corporation and, as such, cannot create an indebtedness in any one year (the fiscal year beginning July 1 to June 30) above what they can pay out of the annual income of said year as set forth in Section 172.250 RS MO. Therefore, if the University determines it has not received adequate appropriations, budget allocations or income to enable it to meet the terms of this contract, the University reserves the right to cancel this contract with thirty (30) days' notice.

**INSURANCE REQUIREMENTS:**

Coverage to be provided as follows by a carrier with A.M Best minimum rating of A- VIII:

Coverage	Minimum Limits

## SECURITY REQUIREMENTS FOR INFORMATION TECHNOLOGY PURCHASES:

As part of the selection process, bidders must demonstrate compliance with the University of Missouri Information Security Requirements Questionnaire (ITSRQ)" spreadsheet attached, by responding in writing to every statement and question. It is the bidder's responsibility to supply sufficient and complete information for a full evaluation in this section, including detailed explanations. Validation of the answers provided by the bidder may be conducted during the review/assessment process. Any erroneous information could limit the bidder's ability to finalize implementation of the proposed solution. Please include any security white papers, technical documents, or policies that are applicable. Failure to provide the necessary information to meet the requirements in this section could lead to disqualification.

The University assigns data classification levels (DCL) for all University owned or hosted IT-based systems. **This system will have a DCL level.** Security requirements for all DCS levels can be found at: <https://www.umsystem.edu/ums/is/infosec/classification-device-guidelines>. The University of Missouri reserves the right to periodically audit any or all hardware and/or software infrastructure provided by the supplier to ensure compliance with industry standards and best practices, as well as the requirements of the University's DCS. When applicable, the University of Missouri requires compliance with the Health Insurance Portability and Accountability Act (HIPAA), FERPA, GLBA, PCI specifications and all other applicable state, local and federal laws and regulations.

## DETAILED SPECIFICATIONS (The following are minimum specifications.):

- I. Mass spec
  - A. mass spec resolution of at least 30,000 at m/z 1972.
  - B. Mass range m/z 40 to 2000 or better (i.e., higher than 2000 and/or lower than 40)
  - C. mass accuracy without internal calibration must be < 5ppm
  - D. mass accuracy with internal/online calibration must be 1.5ppm or less
  - E. data acquisition rate of at least 22 spectra (to disk) per second
  - F. the system must be capable of MS/MS experiments
  - G. Mass analyzer must be able to operate without cryogen cooling.
  - H. mass spec shall have a switching valve for flow diversion as well as a mechanism for sample infusion slow enough to optimize energies for MRM experiments, likely a syringe pump.
  - I. mass spec shall have an on-line internal calibrant system
- II. HPLC
  - A. On-line vacuum degasser
  - B. Binary (or better) pump
    - 1. flow rate range: Must be able to deliver solvent from 0.1 ul/min to 2.00 mL/min with an accuracy of  $\pm 1\%$  or 2 ul/min, whichever is larger. Must be operable in both constant flow or constant pressure modes.
    - 2. max pressure: The pump must be able to run at 9000 psi or higher.
    - 3. pH: The pump and all associated components should have a tolerance to solvents from pH 2-12.
  - C. Autosampler
    - 1. The sample compartment must be able to be cooled to at least 4 °C or cooler.

2. The autosampler must include a built-in rinse system which can be controlled in the instrument software.
  3. Sample injection volumes from at least 1 uL up to 20 uL or better.
  4. Auto-sampler pressure limits must be the same as the pumps.
  - D. Column oven
    1. Temperature Range: A programmable column oven able to maintain constant temperature up to at least 60 °C with an accuracy of  $\pm 0.5$  °C.
    2. Column size: Column compartment should be able to comfortably house columns up to 250 mm.
  - E. Pump control: The pump should be able to be operated from both the software and via either a display or buttons on the front panel.
- III. MALDI Imager
- A. MALDI imaging source should be able to be attached to the instrument, in place of the ESI (or other) source, without breaking vacuum.
  - B. Spot size of 5um or better
  - C. Vendor will provide hardware for automated MALDI matrix deposition, along with all hardware and software required to control same. Matrix should be sprayed so as to ensure high MALDI image quality and reproducibility. Vendors may propose multiple solutions that accomplish this goal as optional items.
  - D. Software to control the MALDI imaging source must be integrated into the vendor's mass spec operating software.
  - E. Imaging acquisition rate on the MALDI source must be at least 30 pixels/second.
  - F. Firing rate for the laser must be at least 20 KHz.
- IV. Computers
- A. Vendor shall provide one computer to run the instrument and a second computer for data processing.
  - B. The computers provided shall have sufficient specifications (processor cores and speed, RAM, disk space, etc.) to properly fulfill their respective tasks
  - C. Each computers shall be provided with a mouse, keyboard, and flat-panel monitor of at least 27" diagonal display measurement
  - D. The vendor will coordinate with university IT to make sure the computer can be joined to the university's domain and network
- V. Software
- A. Vendor to provide all software necessary for the proper operation and maintenance of the LCMS system and for analysis of the data
  - B. Vendor will provide free updates to instrument operating software for the life of the instrument, and updates to data processing software as long as the instrument is under some form of service contract with the original vendor.
- VI. UPS:
- A. Vendor will provide a battery-backup system sufficient to provide power to all components of the instrument (HPLC, MS, MALDI imager, host computer for instrumentation)
  - B. The capacity of the battery backup should be sufficient to keep the system powered for approximately 30 minutes in the event of loss of main power.
  - C. If available, vendor will quote a UPS system capable of signaling system shut-down in the event of a prolonged power outage to protect the vacuum and other system components. If unavailable, vendor may quote the best option to protect the instrument.

## VII. Other

- A. Vendor will provide a nitrogen generator with sufficient capacity to supply the instrument during all modes of operation
- B. Vendor will provide all cables, cords, connectors, fittings, etc. required to install the instrument at the buyer's location; and will provide to the buyer the specifications of outlets, valves, gas supplies, etc required to be present.
- C. Vendor will provide the usual and customary tools required for user maintenance and upkeep of the instrument.
- D. Vendor will provide sufficient supplies/consumables for instrument installation and early use; this will include MALDI sample plates.
- E. Vendor will install and qualify the instrument and provide reports of same to buyer.
- F. Vendor will provide on-site familiarization and training to at least three persons employed by the buyer.
- G. Vendor will have sufficient technical support available after the purchase, and without additional fees, to help the buyer solve operating problems and deal with analytical challenges.
- H. Remote technical support must be provided as needed at no additional cost for the lifetime of the instrument.

## VIII. Service contracts

- A. Vendor will quote optional service contracts for all components either from vendor or from original manufacturer (depending on component) to include:
  - 1. Only the original warranty year (no additional service).
  - 2. 1 year of full service (at the same level of service as original warranty) following original warranty.
  - 3. 2 years of full service following original warranty.
  - 4. 3 years of full service following original warranty.
  - 5. 3 years of full service, and 3 years reduced service following original warranty.
  - 6. While we are not requiring specific requirements for 'reduced' service, bids should include such specific conditions of service provided and attempt to provide the most value to the university in these agreements.
  - 7. Should any line item in this specification become redundant (for example 1 and 2 years of full service for the same price), vendors should feel free to include only the best service offerings at the same price.

**SUPPLIER DIVERSITY PARTICIPATION FORM**

The University of Missouri System is committed to and supports supplier diversity as an essential part of the University's mission and core values. The University's Supplier Diversity efforts reflect this mission.

**Tier 2 Supplier Diversity Information** - The University strongly encourages Supplier Diversity participation in all of its contracts for goods and services. Tier 2 Spend is spend reported by primary (non-diverse) suppliers of the University of Missouri who subcontract work to or make purchases from a diverse supplier. Depending upon the contract, primary (non-diverse) suppliers will be asked to submit Tier 2 information with Minority and Diverse Owned companies. Suppliers have two options in reporting Tier 2 dollars depending on the terms of the contract: Direct and Indirect.

- **Direct dollars** - those dollars directly spent with Women and Diverse Owned suppliers in the fulfillment of the contract.
- **Indirect dollars** - based on a percentage of revenue the University represents to the supplier. An example is as follows:
  1. Supplier's Total Revenues: \$10,000,000
  2. Revenues from University \$: \$ 4,000,000
  3. University % of Total Revenues: 40% (#2 divided by #1)
  4. Total Minority and Diverse owned Dollars \$: \$ 400,000
  5. University % Attributable Revenue: 1% (#4 divided by #2)

1. Does your company have a Supplier Diversity Program? If so, describe efforts your company has made to increase business with Minority and Diverse Owned businesses (i.e. does your company have a policy statement, participate in outreach activities, promote diverse subcontracting, publicize bid opportunities, provide certification assistance, etc.?) Provide examples (use additional pages if needed):

---

---

2. If you are a non-diverse owned company, what percentage of your company's total contracting and procurement spend for the prior year was with Minority and Diverse Owned businesses? \_\_\_\_\_  
Are you able to provide this information specific to University of Missouri business? \_\_\_\_\_

3. If you are a non-diverse owned company, complete the following table indicating the percentage your company will subcontract with certified Women and Diverse Owned businesses should your company be the successful bidder. Note: If your company does not plan to use Women and Diverse Owned businesses to fulfill your contract obligations, please explain why not.
