Minutes:

- IFC members discussed a variety of topics and areas for further discussion with President Choi, including shifts in the consolidation of technology, emeritus access to email accounts, system-wide access to collective databases, masking mandates, faculty and staff morale, system-wide academic affairs leadership, existing processes for review of administrators, and criteria-based salary reductions.

- The IFC's Shared Governance Taskforce provided an update on its work to the full group. The group will continue to provide updates at each IFC meeting. The group is conducting a review of the meanings of shared governance in various contexts.

- Discussed a variety of topics with President Choi relating to system-wide academic affairs leadership, modifications to the Collected Rules and Regulations, COVID-19, and IT issues facing faculty members. Several follow up items were identified and more information will be provided to the IFC at future meetings.
- IFC held a joint session with the Intercampus Student Council (ISC), during which they discussed topics relating to COVID-19 in the context of faculty flexibility and use of technology in the classroom. Additional joint sessions will be held in the future as there is a strong desire to continue the practice among both groups.
- IFC members concluded the session by identifying areas for further discussion and inquiry.
