President's Session – President Mun Choi

President Choi heard updates and concerns from each university and shared updates on university initiatives and priorities. Topics included, but were not limited to legislative updates concerning the progress of various pieces of legislation and the FY25 state budget, positive trends in undergraduate admissions amid concerns surrounding FAFSA implementation, updates on issues pertaining to Intercollegiate Athletics, and updates to the IFC's policies and procedures as it relates to confidentiality.

Missouri Online Updates – Stephanie McClelland, Chief Online Learning Officer

McClelland provided updates on the Turnitin AI Detector as well as new academic technology tools that are being piloted or formally adopted, such as 1) Harmonize, which allows for a richer experience in instructor/student discussions, 2) Kritik, an assessment tool that aids students in peer assessments, 3) UDoIT Advantage, which analyzes courses and identifies ways to improve accessibility, 4) Impact, a tool that allows professors to send direct messages to individual students or a targeted group in Canvas and 5) HonorLock, a proctoring tool that will replace SmartProctoring on May 31. She also provided updates on organizational changes taking place within Missouri Online and what to expect moving forward.

Proposed Changes to Equity Resolution CRRs – Katharine Bunn, Senior Counsel; and Andy Hayes, Vice Chancellor for Civil Rights and Title IX

Bunn and Hayes discussed the proposed changes to equity resolution CRRs 600.020, 600.030 and 600.040. They include changing definitions within CRR 600.020 to align with changes in federal definitions; modifying term length for members of the Hearing Panel Pool from one year to two years; modifying the hearing process to align with the process used in Title IX cases; and sunset language that pertains to conduct that happened prior to August 2020.

Reflections and Wrap Up

The Cabinet's next meeting will be held in person on May 6.
