

INTERCAMPUS STUDENT COUNCIL

General Meeting Minutes

August 29, 2025, 01:00PM | Online via Zoom

Introductions and ISC Overview

Steven Chaffin, ISC Advisor

- ISC Introduction:
 - The creation of the ISC is established by the UM System Collected Rules and Regulations (CRRs). The ISC determines its own policies and procedures via the ISC Constitution.
 - Student membership includes the President and highest Vice President of each recognized Student Government Association on each of the four UM System campuses, the Student Representative to the Board of Curators, and the ASUM Executive Director.
 - Each campus is allocated two votes. If a campus has two Student Government Associations, each corresponding President will be a voting member. If a campus has one Student Government Association, the President and Vice President will be voting members. The Student Representative to the Board of Curators is the default chair of the council and is only allocated a tie-breaking vote. If the Student Representative to the Board of Curators position is vacant, the ASUM Executive Director is allocated a tie-breaking vote, and the council must elect a chair among its members.
 - The ISC will meet a minimum of four times per year. The current schedule is included. The spring meetings will be determined at the November meeting.
 - August 29, 1:00-2:00PM
 - September 19, 1:00-2:00PM
 - November 21, 1:00-2:00PM
- ISC Chair Term Length Clarification:
 - The CRRs define the term of the ISC chair as one semester. The ISC Constitution defines the term of the ISC chair as one year. The ISC discussed the discrepancy, voted to follow the ISC Constitution for the 25-26 academic year, and asked for the CRR to be updated to reflect a term of one year for the ISC chair.
