

## IFC Meeting Minutes

3/19/21

1. Discussion with Beth Chancellor
  - a. Opportunities for improvement discussed including:
    - i. Enhanced communication
    - ii. Posting of instructions to a central location (outside of email)
    - iii. Better timing of deployment was discussed
    - iv. Mac challenges
  - b. Recent improvements
    - i. IT was recently approved to add a communication person
    - ii. IT's report will be sent to IFC
2. Title IX
  - a. Sanction guides created to provide guidance on what the decision maker could look to if someone is found responsible in a Title IX situation
  - b. No matter what the guides give you as a suggestion the full range is still available
  - c. Reaching out to see if anything stands out to IFC that might need another look?
    - i. The suggestion is the full range when it lists a series of options – not progressive
    - ii. These guides would be given to a decision maker if there is a decision of responsibility
3. Discussion with President Choi
  - a. Senate Bill 389
  - b. Effective enrollment management that provides the support systems to make the students successful
  - c. Scholarship and financial aid
  - d. Selectivity
    - i. May vary by the nature of the institutions, each university determine the approach appropriate for them
    - ii. Designation of selectivity is a Board of Curators decision
4. Digital Accessibility
  - a. Digital accessibility system-wide taskforce made up of faculty, staff and students
  - b. Faculty support will be needed, both tools and resources
  - c. Minimum level of accessibility – seek to embed it and then have accommodations to bridge the gaps
  - d. Question you may anticipate: audio video assignments –What are the expectations for students work that is reviewed by other students and how do we easily do it?
5. Course sharing
  - a. There will likely be a lot of new programs some that have a potential for course sharing
  - b. Going to one Canvas in the fall
  - c. Working on making the resources easily accessible

- d. Elements being recommended by the task force:
  - i. Credit hours go back to the faculty who teaches
  - ii. Currently students pay their own campus – the taskforce is recommending 60% of the course's tuition for the students coming from another campus will go to the campus where the teaching is happening
  - iii. Faculty member doesn't have to go and get approved to teach a course sharing course. Modify to where all UM faculty can teach these courses for their UM colleagues
  - iv. Look and reassess after 1 year of the revised model
- e. IFC agreed with the recommendations, next step will be to present to UMAO
