# **5 Pillars Quality Review**

An online course is reviewed, and considered a quality course design if it embodies the following five pillars of effective course design. Items may apply to more than one pillar. They are listed under the first relevant pillar.

	<del></del>				
<b>Course Information</b>					

- Instructor:
- Course number/title:
- Semester offered:
- Number of credits:

## **Pillar 1: Initial Student Experiences**

The course design includes a complete syllabus, an opportunity for students to meet others in the course early on, and a welcome module containing materials needed for online student success.
