Where possible, this information shall be made available to the Faculty before being made available to the general public.

- 2. **Professional Ethics and Academic Responsibilities** -- The Professor, guided by a deep conviction of the worth and dignity of the advancement of knowledge, recognizes the special responsibilities placed upon him/her. His/her primary responsibility to his/her subject is to seek and to state the truth as he/she sees it. To this end he/she devotes his/her energies to developing and improving his/her scholarly competence. He/she accepts the obligation to exercise critical self-discipline and judgment in using, extending and transmitting knowledge. He/she practices intellectual honesty. Although he/she may follow subsidiary interests, these interests must never seriously hamper or compromise his/her freedom of inquiry.
 - a. **As a teacher**, the Professor encourages the free pursuit of learning in his/her students. He/she holds before them the

best scholarly standards of his/her discipline. He/she demonstrates respect for the student as an individual, and adheres to his/her proper role as intellectual guide and counselor. He/she makes every reasonable effort to foster honest academic conduct and to assure that his/her evaluation of students reflects their true merit. He/she measures the urgency of those obligations in the light of his/her responsibilities to his/her subject, to his/her students, to his/her profession, and to his/her institution. When he/she

speaks or acts as a private person he/she avoids creating the impression that he/she speaks or acts for his/her college or university. As a citizen engaged in a profession that depends upon freedom for its health and integrity, the professor has a particular obligation for promoting conditions of free inquiry and to further public understanding of academic freedom. Further, the Faculty accepts the responsibility of monitoring its own members if accepted standards of professional responsibility are abrogated. (Section 300.010 L of these Bylaws)

3. **Authority** -- The Faculty's authority, as delegated by the Board of Curators, is of three types: direct and primary, in which the Faculty has essential decision-making authority; shared, in which the Faculty participates with others; and advisory, in which the Faculty counsels with the person or offices with ultimate decision-making authority. Such delegation, if made, shall be in accord with and subject to the following provisions:
- (1) The delegation shall be made by majority vote of the Faculty by mail ballot or at a regular meeting of the Faculty. The delegation may be for a specific period (not less than one

academic year) or for an indefinite period. However, the delegation may be withdrawn at any time by specific action of the Faculty.

(2) The delegation shall not prevent the calling of meetings of the Faculty under the provisions of Section 300.010 C. Regular meetings of the Faculty shall be held at least once a semester.

(3) The delegation shall give the Faculty Council authority to act for the Faculty and, except as provided below, to take such actions as the Faculty could take.

- Proposing revisions of the Bylaws to be submitted to the Faculty for adoption.
- Referring any matter to the Faculty either by calling a meeting of the Faculty or by mail ballot.
- Appointing special committees (whose members need not be members of the Faculty Council) to report to the Faculty Council

(b) The authority to amend these Bylaws is not delegated.

(c) The delegation shall not affect the prerogatives of individual Faculty members nor of individual faculties.

(4) Any member of the Faculty may request any matter to be placed on the agenda of the Faculty Council and may request to be allowed to appear before the Faculty Council. Such requests may be made either through his representatives or the Chairperson of the Faculty Council.

(5) Meetings of the Faculty Council shall be open to members of the Faculty

(6) The actions of the council, in those areas in which it has delegated authority, shall be deemed final unless challenged within 10 days. Such challenge shall require a petition signed by 25 Faculty members from at least three divisions calling for a review by the Faculty of a particular council action.

(7) The Faculty Council shall report its actions to the Faculty either at a meeting of the Faculty or in the Faculty Bulletin.

D. Meetings

1. The Faculty shall meet at times determined by it or when called by the Chancellor. Upon written request of twenty (20) members of the Faculty addressed to the Chancellor, a meeting shall be called within fifteen (15) days of receipt by the Chancellor.
2. Reasonable notice (preferably one week minimum) shall be given by the Chancellor to all members of the Faculty of the time and place of all Faculty meetings.
3. Fifty (50) members of the Faculty representing at least three (3) academic divisions shall constitute a quorum.
4. The agenda for Faculty meetings shall be determined jointly by the Chairperson of the Faculty Council on UMC Policy and the Chancellor.
5. Any item of new business not included on the distributed agenda of a Faculty meeting will require either a 50 percent vote of approval of those present to be considered at the next Faculty meeting or, to be enacted at the meeting at which it is introduced, two-thirds vote of approval of those present.

E. Faculty Organization

1. The authority of the Faculty as delegated by the Board of Curators shall include the responsibilities set forth in Section 300.010 C. In order to perform these functions, the Faculty takes cognizance of the consequences of its size and complexity and therefore delegates specific policy making and coordinating functions to representative bodies. The main representative body shall be a Faculty Council.
2. The Faculty Council is established as the elected representative body of the Faculty. It shall act for the General Faculty on all matters within the framework of the policies expressed in these Bylaws and shall function in accordance with the specifications formulated in Section

300.010 C. The Faculty Council shall have the right to delegate some of its operation tasks to an executive committee and/or its officers.

3. The Faculty as a whole shall approve all policies which involve a modification or change of the principles set forth in these Bylaws. The Faculty further may review decisions and actions by the Faculty Council provided that a petition requesting such action has been signed by at least 25 Faculty members representing at least three divisions of the campus.
4. There shall be a Graduate Faculty organization. It shall develop its own criteria for membership, organizational structure, its own obligations and rights providing they are consonant with the philosophy and principles of the General Faculty Bylaws. The Graduate Faculty shall determine the functions of the Graduate Faculty Senate. The Graduate Faculty shall set standards for graduate education on the campus, provided they meet at least the minimum standards established by the General Faculty.
5. Divisional faculties are established in the various academic divisions. They shall develop policies adapted to their specific needs, but standards of performance must not be set below those established by the General Faculty.
6. Establishment of new divisions shall entitle them to representation where divisional representation is designated in these Bylaws or otherwise deemed appropriate.

F. Faculty Participatory Authority and Functions in Campus Governance

1. Participatory authority and functions of the Faculty are expressed through Faculty involvement in the campus committee structure including those committees which govern academic and administrative matters affecting the campus, Faculty and students. The Faculty participates in the selection of administrative officers. The Faculty participates in the monitoring of administrative and academic operating procedures. These participatory functions of the Faculty are articulated as follows:

- a. The Faculty, through its elected representative structure, the Faculty Council, nominate Faculty members to participate in a specially designated body currently called the University Assembly which is charged with advising the Chancellor on matters mutually affecting all constituencies of the University (Faculty, students, administration, and non-academic employees), and nominating members to campus-wide standing committees. The participation of the UMC Faculty in this Assembly will represent Faculty participation to the extent that the domains of Faculty primary and direct authority are not infringed upon.
 - b. An Academic Regulations Committee shall be established consisting of representatives of the Faculty Council (which may be the Executive Committee) and campus administration. This committee will assume responsibility for the development and monitoring of campus standard operating guidelines which, after approval by the Faculty Council, administration, and students where appropriate, shall be published as "Academic Regulations Manual." These guidelines will cover the academic schedule of studies and examinations, calendar, academic procedures and policies and campus governance and shall be consonant with these Bylaws. This committee will meet regularly to monitor these guidelines and to coordinate the need for modification and changes.
 - c. The Faculty Council will nominate Faculty members to participate in ad hoc committees, including Search and Screening Committees for campus administrators and academic officers.
2. The Faculty representatives to the University Assembly and the Academic Regulations Committee will report to the Faculty Council at appropriate intervals.

G. Faculty Participation in University-wide Governance

1. The Faculty shall participate in education policy determination about those matters which are University-wide; some of these will be

parallel to those issues in which the Faculty exercises shared authority at the campus level (Section 300.010 C.3.a). The Faculty's responsibility in these matters shall be exercised through mechanisms such as:

- a. The Intercampus Faculty Council on which the UMC Faculty shall have representatives designated by the UMC Faculty Council.
- b. The University Doctoral Council to which the UMC Graduate Faculty shall elect its members.
- c. Ad hoc and standing University-wide committees to which the Faculty (often acting through its elected campus body, the Faculty Council) shall designate its members.
- d. Intercampus committees concerned with cooperation in educational and research activities within the respective disciplines.

H. Faculty Council on UMC Policy

1. A Faculty Council shall be composed of Faculty members who shall be elected by the several divisional faculties as hereinafter provided. The Faculty Council shall have certain delegated authority to act on behalf of the General Faculty (Section 310.010 C.3.c of these Bylaws). In addition, the Council, as a representative Faculty voice, shall advise the Chancellor and the UMC Faculty on questions of UMC policy submitted by either to the Council, and may initiate recommendations concerning changes in the UMC policy for consideration and appropriate action by the Chancellor or UMC Faculty.
2. All colleges and schools that are headed by a Dean who reports to the Provost for academic affairs shall be entitled to voting representation.
3. The minimum number of representatives on the council shall be 25 and the maximum shall be 30.
4. Representatives shall be allocated to divisions on the basis of the total number of members of the UMC Faculty in each division of Professors, Associate Professors, and Assistant Professors (including Research Professors) on full-time appointment to regular academic staff

positions (hereinafter referred to as qualified academic staff members) in each division. The determination of the number of qualified academic staff members shall be made on November 1 of each academic year, and the number so determined shall govern representation for the next academic year. A qualified academic staff member who has a joint appointment in two or more divisions shall be assigned to the division in which he devotes the largest percentage of his time. If the assignment cannot be made on this basis, the council shall make the assignment, first having consulted with the qualified academic staff member to the extent feasible. Representation of the various divisions shall be based upon persons holding the three eligible ranks listed in the most recent UMC general catalog. Research Emeritus Professors and any academic titles other than Professors, Associate Professors, Assistant Professors, (including Research Professors) will not be included in the computations, with the exception that retired professors on continued service will be counted.

Each division shall be entitled to representation at a basic ratio of one representative for each fifty qualified academic staff members or majority fraction thereof (26-49), and in particular as follows: one (1) representative for 1-75; two (2) representatives for 76-125; and so on for each additional fifty (50) qualified academic staff members or major fraction thereof.

In the event the number of qualified academic staff members changes to the point where the basic ratio of one to 50 would give less than 25 or more than 30 representatives, the council by a finding recorded in its minutes shall adjust the ratio to produce not less than 25 and not more than 30 representatives.

5. Members of the Council must be elected from among the qualified academic staff members of the UMC Faculty.

Every qualified academic staff member of the UMC Faculty is eligible for election to and service on the Council: Provided, however, that members of the UMC Faculty who hold administrative positions with the rank of Assistant Dean or higher, or equivalent positions regardless of the title, are ineligible for election or service. Only those eligible to serve on the Faculty Council are eligible to vote for representatives on the Council.

The regular term of office for a member shall be three years beginning on the first day of the Fall semester. No member shall serve more than two terms in succession, but a member may serve any number of discontinued terms, and even though he has served two terms in succession may from time to time serve two more terms in succession after a break in service. Terms of less than three years, whether of one or two years duration or fraction thereof shall count the same as a three-year term.

The Faculty of each division shall determine the election procedures for the election of its representative or representatives and shall report these to the council. Election shall be by secret ballot. In those divisions that have two or more representatives, terms shall be staggered.

I. Officers of the Faculty

1. The Chairperson of the General Faculty shall be the Chancellor. The Vice Chairperson of the Faculty shall be the Chairperson of the Faculty Council. Ordinarily, the Chairperson shall preside at Faculty meetings, but determination of who shall preside will be guided by the nature of the business at hand. The Vice Chairperson shall preside at meetings of the General Faculty in the absence of the Chairperson, or at other times when so designated by the Chairperson.
2. The Secretary of the Faculty shall be a member of the General Faculty and shall be appointed by the Faculty Council. The Secretary shall keep minutes of all faculty meetings and shall distribute copies of the same to all members of the General Faculty, and shall provide copies of the agenda of all faculty meetings to all members of the Faculty prior to any Faculty meeting. (By Faculty Council action October 21, 1982, the Recorder of Faculty Council shall be Secretary of the Faculty, with the technical assistance of the Registrar; the Minutes of the General Faculty meetings shall be reviewed, approved and distributed to all Faculty in the same manner as the Minutes of the Faculty Council meetings.)

3. A Parliamentarian shall be appointed by the Chairperson from among members of the Faculty.

J. Designation of Faculty Representatives

1. The Faculty Council shall monitor Faculty representation on all committees where such representation is required by the Bylaws and on other committees where Faculty representation is appropriate.
2. Faculty-originated appointments to campus and university committees may be challenged by a signed petition calling for a campus-wide election from at least 25 members of the Faculty representing at least three divisions of UMC. The Faculty Council shall vote on such petition, and if approved, shall initiate a campus-wide election.

K. Faculty Tenure Committee

1. The University of Missouri-Columbia Faculty Committee on Tenure shall be composed of members elected by the Faculty of colleges and schools that are headed by Deans who report to the Provost for Academic Affairs. The faculty of each such college or school shall be entitled to have one single elected member of the University of Missouri-Columbia Faculty Committee on Tenure at any given time.
2. Faculty of each college or school shall, at a regular meeting during the second semester in each academic year, elect one of its members to membership on the University of Missouri-Columbia Faculty Committee on Tenure to serve for the following academic year, and also elect an alternative member, who shall serve in the event the regular committee member is unable to serve. If a Faculty fails to elect during the second semester, or a vacancy in its representation occurs after it has elected, a later election may be conducted. Elections of members and alternate members shall be reported to the Provost of Academic Affairs who shall cause the names of the members, alternate members and officers of the committee to be published in the same manner as the membership of the Faculty Council on University Policy.

3. At the inception of a hearing before the committee, the respondent and the relator may challenge members present (including alternate members and the Chairperson and Secretary) for cause. A member challenged for cause is entitled to be present during the hearing on the challenge but he/she, the relator and respondent, shall withdraw from the meeting during the vote on the challenge. If a challenge for cause of the Chairperson is sustained, the Secretary shall act as Chairperson. If neither the Chairperson nor the Secretary is present after action on challenges for cause, the Committee shall elect a Chairperson pro tempore to preside at the hearing.
4. As prescribed by Sections [310.010-310.070](#), University of Missouri Collected Rules and Regulations, at least ten members of the Committee or their alternates must be present to constitute a quorum at a meeting to elect a permanent Chairperson or Secretary and at the inception of a hearing. For the purposes of acting on challenges and conducting a hearing after the disposition of challenges, seven members of the Committee, or their alternates, shall constitute a quorum. If, during the course of a hearing, the number of members, or their alternates, not previously removed by challenge, are present. The relator and the respondent shall be given opportunities to challenge for cause members or their alternates who were not present from the inception of the hearing and to request that such members or alternates listen to or read the taped or stenographic record of any portion of the hearing at which they were not present.

L. Procedures Governing the Disposition of Charges of Faculty Irresponsibility

1. **Basis for the Article** -- This Faculty has affirmed its commitment to the principles of academic freedom repeatedly, and has recognized that academic freedom implies also academic and professional responsibility and obligations. In support of this recognition the Faculty has accepted the American Association of University Professors' statement of ethical standards (1966) and other standards pertaining to specific duties. (Ref: Section 300.010 C of these Bylaws; [Section 420.010 Research Dishonesty](#)) Following the principle that a Faculty should monitor its own members, Section 300.010 L

establishes appropriate procedures for dealing with cases of alleged violation of professional responsibility.

2. Definition of Faculty Member and Teacher

- a. The term "Faculty member" as used in this article means a person holding a regular or non-regular academic staff position at the rank of instructor or above.
- b. The term "teacher" as used in this article means a person other than a "Faculty member" who holds an academic staff position.

3. Purpose and Limits of the Article -- This article shall govern the filing and disposition of charges alleging breaches of professional ethics or commission of irresponsible acts made against UMC Faculty members and teachers. No portion of this article shall be deemed to amend or affect Section 10 of the Academic Tenure Regulations, March 10, 1950, or any revision thereof; nor shall this article be construed to affect adversely the rights which any person may have under the University Tenure Regulations.

4. Initiation and Transmission of a Charge -- A charge of unethical or irresponsible action may be brought against a Faculty member or teacher by a person or group of persons associated with the University, such as a student, Faculty member, teacher, administrator, or Board member.

- a. The charge must be submitted in writing and signed by the person or persons making the charge. The charge must specify the act or acts which allegedly constitute unethical or irresponsible action, and must be supported by pertinent details such as time(s), the act(s) was/were committed, specific place(s) where the act(s) occurred, names of witnesses who are able to support the charge, the conditions under which the alleged act(s) occurred, and any additional relevant information.
- b. The charge shall be transmitted promptly to the UMC Provost for Academic Affairs, whose office shall ascertain the extent to which the charge describes the act(s) that allegedly constitutes

unethical or irresponsible action, and determine that all necessary details have been supplied. The Provost shall discuss the substances of the charge with the accuser(s) to assure further that the facts and nature of the charge are understood clearly. Once the Provost has verified the procedural adequacy of the charge, he shall forward it promptly to the Dean of the Division in which the accused Faculty member or teacher has his/her academic appointment.

- c. Upon receipt of the signed, written charge against a Faculty member or teacher employed within his/her division, the Dean shall consult with the accused's Department Chairman, in those divisions with more than one department. They shall review the charge for adequacy of procedural detail. If in their opinions, the charge is vague or insufficiently detailed, they shall so inform the Provost in writing and return the charge to him with a request for clarification, or addition of information, and resubmission.
 - d. If in the opinions of the Divisional Dean and the Department Chairperson the charge is properly described, the Department Chairperson, or Dean in those divisions without departments, as soon as possible, shall provide the accused with a full copy of the charge, including the name of the person, or persons, making the charge.
5. **Action by the Department Chairperson (or Divisional Dean) --**
The Department Chairperson shall discuss the alleged violation informally with the accused and with the accuser, meeting them either together or separately, or both, and shall attempt to reconcile differences and find a solution acceptable to all persons involved.
- a. If an acceptable solution is found, this shall be reported by the Chairperson in writing to the Divisional Dean along with any explanation and justification. A copy of the report shall be furnished the accused. If an acceptable solution is not found, the Department Chairperson shall report this fact in writing to the Divisional Dean along with such comments as he/she considers appropriate. A copy of this report shall be supplied

to the accused. In addition, the Chairperson shall provide the accused with a written statement of his/her recommendations for disposition of the charge and shall describe the rights of the accused to an informal hearing.

- b. If the Divisional Dean agrees with the acceptable solution and the Provost for Academic Affairs concurs, this shall end the matter and the accused shall be so informed. If the Divisional Dean or the Provost for Academic Affairs does not agree with the acceptable solution or if no acceptable solution was reached, the matter may be referred back to the Department Chairperson for further negotiation, or the procedures under Section 300.010 L.6 shall be followed.
- c. In those divisions having only one department, the Divisional Dean shall take the steps set out in Section 300.010 L.5 and shall report to the Provost for Academic Affairs.
- d. The Department Chairperson or the Divisional Dean shall be disqualified from action under Section 300.010 L.5 if he/she is the accuser or the accused and in such case the respective department or division shall elect a Chairperson pro tem to act instead.

6. Informal Hearing Before Peers at the Department or Divisional Level -- If a resolution of the charge is not reached under the provisions of Section 300.010 L.5, the Divisional Dean shall inform the accused in writing of his/her recommendations for disposition of the charge, and shall describe the rights of the accused to an informal hearing. The accused may request in writing an informal hearing at either the department level (in divisions with more than one department) or the divisional level, but not both. If no written request is made by the accused within ten (10) school days, or if he/she waives in writing the informal hearing, the procedures of Section 300.010 L.7 shall be followed.

- a. After a written request for an informal hearing, such hearing shall be held by a committee designated for this function according to the following procedure:

(1) A Department Committee on Faculty Responsibility shall be established annually according to normal procedures in the structuring of committees in the department. If the accused or the accuser is a member of the committee, he/she is disqualified from the committee for that case. If the accused is a teacher, the department committee must be adjusted to include peers of the same academic rank, in proportion to the department roster. In small departments, same-level peers may be appointed from related departments by mutual consent of the accused and the department Chairperson. The Chairperson shall supply the accused with a written report of the membership of the Department Committee on Faculty Responsibility.

(2) For the Divisional Committee on Faculty Responsibility, a panel of 13 Faculty members and a special panel of five teachers shall be named annually by the Divisional Policy Committee. In any case where the accused or the accuser is a member of the panel, he/she shall be replaced by a substitute appointed by the Divisional Policy Committee.

(a) When the accused is a Faculty member, the Divisional Dean will strike three names and then the accused will strike three names from the panel of Faculty members and the remaining seven Faculty members will constitute the committee.

(b) When the accused is a teacher, five members of the panel of Faculty members will be removed by lot from the panel and replaced by the members of the special panel of teachers. From the resulting panel of 13 the Divisional Dean will strike three names and then the accused will strike three names and the remaining seven members will constitute the committee.

(c) The Divisional Committee on Faculty Responsibility, once constituted, shall organize itself. The Divisional Dean shall supply the accused with the names of the members of the Divisional Committee on Faculty Responsibility.

b. The Committee (department or division) shall investigate the charge and shall offer the accused and the accuser an opportunity to state their positions and to present testimony and other evidence relevant to the case. The accused shall have

access to all information considered by the committee and the names of all persons giving evidence against him/her. The hearing shall be informal and the accused and the accuser at their option may be present during the hearing. Other persons shall not be present except while giving testimony or other evidence.

- c. After completion of the hearing the committee shall meet in closed session and after deliberation prepare a written report. This report (including a minority report, if any) shall be transmitted to the divisional dean and a copy transmitted promptly to the accused. This report shall be limited to one of the following:

- (1) The charge is unfounded or there is insufficient reason to believe the accused has violated professional ethics or acted irresponsibly, and the matter should be dropped without prejudice to the accused. The justification for this conclusion must be included.

- (2) There is sufficient reason to believe the accused has acted unethically or irresponsibly, and

- (a) If the accused is a Faculty member, the matter should be referred for a formal hearing. No recommendation as to sanction should be made but an assessment of the seriousness of the alleged violation, including whether it is serious enough that termination of appointment should be considered, shall be made.

- (b) If the accused is a teacher, a recommendation as to the appropriate sanction shall be made. The justification for this conclusion must be included.

7. Action by the Divisional Dean and the Provost for Academic Affairs

- a. **If the accused is a Faculty member and no request for an informal hearing was made**, the Divisional Dean with the concurrence of the Provost for Academic Affairs shall either:

- (1) Dismiss the charge, in which case the matter is closed without prejudice to the accused, or

- (2) Refer the matter to the Campus Committee on Faculty Responsibility without any recommendation as to sanction, in

which case the procedures of Section 300.010 L.8 shall be followed. If the Provost for Academic Affairs does not concur, he may take either of the above actions on his/her own motion.

- b. **If the accused is a Faculty member**, after receiving the recommendation of the Department or Divisional Committee on Faculty Responsibility, the Divisional Dean with the concurrence of the Provost for Academic Affairs shall either:

(1) Dismiss the charge, in which case the matter is closed without prejudice to the accused, or

(2) Refer the matter to the Campus Committee on Faculty Responsibility with or without a recommendation as to sanction, in which case the procedures of Section 300.010 L.8 shall be followed, or

(3) Recommend that the accused's appointment be terminated, in which case the matter shall be governed by the Academic Tenure Regulations and no further proceedings under this Article shall be taken.

If the Provost for Academic Affairs does not concur, he/she may take any of the above actions on his/her own motion. If the action of the Divisional Dean or the Provost for Academic Affairs differs from the conclusion reached by the Department or Divisional Committee on Faculty Responsibility, a statement of reasons shall be given. Notification of the action with the statement of reasons shall be transmitted promptly to the accused.

- c. **If the accused is a teacher**, after receiving the report of the Department or Divisional Committee on Faculty Responsibility, or if the informal hearing was not requested, the Divisional Dean shall dispose of the case. Notification of his/her disposition with a statement of reasons shall be transmitted promptly to the accused. The Divisional Dean's decision is subject to review by the Provost for Academic Affairs who may accept an appeal from the teacher or review the case on his/her own motion.

8. **Formal Hearing before Campus Committee on Faculty Responsibility**

- a. **If the matter is referred for a formal hearing** before the Campus Committee on Faculty Responsibility, the accused may, within seven school days after notification of the

referral, waive in writing the hearing before the Campus Committee. If the hearing is waived and no informal hearing under Section 300.010 L.6 has been held, the matter shall be returned to the Divisional Dean who may then recommend termination of appointment as under Section 300.010 L.7.b, or any other action he/she considers appropriate. If he/she does not recommend termination of appointment, or if the informal hearing has been held, the procedures of Section 300.010 L.9 shall be followed.

- b. **For the Campus Committee** on Faculty Responsibility, the Faculty Council shall name annually a panel of thirteen (13) Faculty members. If the accuser of any person who has engaged in the investigation of the case is a member of the panel, he/she shall be disqualified and a replacement shall be appointed by the Faculty Council. When a case is referred to the Campus Committee on Faculty Responsibility, the Provost for Academic Affairs will strike three (3) names from the panel; then the accused will strike three (3) names from the panel; the remaining seven (7) members will constitute the committee. The formal hearing shall be conducted according to the following procedures:

(1) The Provost for Academic Affairs shall convene the committee. The committee shall elect a Chairperson who shall preside. The Provost for Academic Affairs shall present the case. Generally accepted principles and procedures of administrative due process shall govern the conduct of the hearing. The hearing shall not necessarily be limited by the rules of evidence applied in civil or criminal judicial proceedings. Both the committee and the Provost for Academic Affairs may receive the advice of counsel.

(2) The committee and the accused shall receive from the Provost for Academic Affairs prior to the hearing copies of all reports and recommendations in the case, the text of the original charge, the name(s) of the accuser(s) and the names of the witnesses.

(3) The accused shall have the right to be present at the hearing, to have counsel of his/her choice present with him/her at the hearing, to address the committee at any

reasonable time upon request, to offer and present evidence, to examine all documents offered at the hearing and challenge their validity or admissibility, to question all witnesses, and to have his/her counsel perform any and all of these acts in his/her behalf. After the termination of the proceedings and completion of the committee's report, the accused shall receive promptly a transcript of the proceedings at University expense.

- c. **Following the hearing**, the Campus Committee on Faculty Responsibility shall meet in closed session and, after deliberation, shall prepare a written report which shall include findings of fact (including whether the accused committed the acts mentioned in the charge), a determination of whether the accused's acts constitute a significant violation of professional ethics or responsibility, and the recommendation of specific sanctions or actions to be taken in the case. If the committee's recommendations differ from those made by the Divisional Dean, the report shall include the reasons for the difference. The report (including a minority report, if any) shall be transmitted promptly to the accused.

(1) If the committee recommends termination of appointment and the Provost for Academic Affairs concurs; or if the Provost for Academic Affairs recommends termination of appointment, the matter shall be governed by the Academic Tenure Regulations and no further proceedings under this Article shall be taken.

(2) If termination of appointment is not recommended, the report shall be transmitted to the Chancellor and the procedures of Section 300.010 L.9 shall be followed.

9. **Review by the Chancellor** -- The Chancellor shall, on written request of the accused or of the Provost for Academic Affairs filed within seven days from the notification of the decision of the Campus Committee on Faculty Responsibility, or may, on his/her motion without the filing of an appeal, review the case and affirm, modify, or reverse the decision or remand it to the committee for rehearing. If the Chancellor accepts an appeal or otherwise formally reviews the

case, he/she shall notify the Provost for Academic Affairs and the accused, and shall afford them an opportunity to make written submissions or suggestions concerning the disposition of the appeal on review. If the Chancellor reverses or modifies the decision of the committee, he/she shall set forth in writing a statement of his/her decision and the reasons therefor, and shall furnish a copy of his/her statement to the accused and to have accepted the committee's decision as the final disposition of the case. If the Chancellor is absent from the campus or for any reason is unable to act throughout the review period, he/she may designate a deputy (not the Provost for Academic Affairs) to discharge this function for him/her, or in case of need the President may be requested by the Provost for Academic Affairs or the Chairperson of the Campus Committee on Faculty Responsibility to name a deputy to exercise the Chancellor's authority in the case. After action by the Chancellor, any further appeal by the accused shall be confined to the general right of all members of the University to petition the President and the Board of Curators.

10. **Charges Against Administrators** -- This Article shall cover charges of unethical or irresponsible actions against administrators in their teaching capacities. If a charge is filed against a divisional dean in his teaching capacity, the case shall be referred to the Provost for Academic Affairs and the Campus Committee on Faculty Responsibility without action or recommendation at the departmental or divisional level. If a charge is filed against the Provost for Academic Affairs in his/her teaching capacity, the charge shall be in the hands of the Chancellor and the Campus Committee on Faculty Responsibility. Charges of unethical or irresponsible actions against administrators in their capacity as administrators involve procedures beyond the scope of this Article. However, in such cases, the Chancellor may seek the assistance and advice of the department, divisional or Campus Committee on Faculty Responsibility.
11. **General Provisions** -- Successful operation of these procedures depends upon the integrity, good faith and cooperation of all persons involved. Circumvention of these procedures by the imposition of penal sanctions under the guise of purely administrative actions must

be avoided. Both Faculty and administrators in carrying out their duties should keep in mind the goal of dealing with cases promptly and fairly with due regard for the interests of the accused and the University. The following guidelines and principles will be expected to characterize the monitoring of Faculty responsibility through all formal and informal proceedings:

- a. Preservation of academic freedom, tenure rights, and the integrity of the University community.
- b. Protection of Faculty members and teachers against malicious and multiple charges, intimidation and harassment.
- c. Protection of the accuser against recriminations when a charge is made in good faith.
- d. Confidentiality of all aspects of responsibility hearings.
- e. Caution in the dissemination of information concerning disposition of a case.
- f. Promptness in conducting each step of the investigation, consistent with fairness in time allowed for preparation. Seven to fourteen days in which the University is in session are reasonable lower and upper limits for each action, with extensions possible for good cause.
- g. Assurance to all parties involved of adequate notification of meetings and scheduling at times and places convenient to the persons involved.
- h. Freedom of the accused against sanctions prior to completion of these procedures. In a serious case where the continuation of duties by an accused would disrupt the educational process or would create a serious threat to lives and property, the Chancellor may suspend the accused without loss of pay, on good cause shown and incorporated into written findings delivered to the accused.
- i. The rights of the accused to waive any or all of the peer judgment steps in these procedures and to negotiate a settlement with appropriate administrative officers at any time.
- j. The right and desirability of the Divisional Dean, after receiving a committee report (or in the absence of such a

report where a hearing has been waived), to request and receive from the department Chairperson communications concerning the disposition of the case prior to the Divisional Dean's taking action; and the similar right of the Provost for Academic Affairs to communicate with the Divisional Dean and the department Chairperson.

- M. **Revision of Bylaws.** Revisions of these Bylaws may be proposed by Faculty Council. Proposed revisions shall be presented and discussed at a meeting of the General Faculty or a faculty forum. As soon as possible after the General Faculty meeting or faculty forum, all faculty members will be notified of the proposed revision and provided access to a ballot. Ballots will be tabulated by a committee of Faculty Council within two weeks following completion of voting. A simple majority of the votes submitted will be required for approval. Results of the vote will be reported to Faculty Council and then all faculty members as soon as feasible. Revisions become effective upon approval by the Board of Curators.

A retiring member of the Faculty who is not covered by the above rule who has been recommended by majority vote of the tenured members of the faculty of the department and by the Dean of the faculty member's school or college, or on campuses with no schools or colleges, by the Provost may be awarded an emeritus designation by the Chancellor when the faculty member
 - a. has retired in good standing;
 - b. has indicated the desire to receive emeritus status; and
 - c. his or her contributions to the department and the University are recognized as meritorious.
 2. For purposes of this section, full-time members of the Medical Faculty may be considered to be on regular appointment and hence eligible under the above rules and exceptions for appointment to the emeritus designation.
- C. Members of the Faculty who have received the title of emeritus shall continue as members (non-voting, "except with regard to votes on promotion and tenure recommendations by qualified professors emeriti who are serving on a special promotion and tenure committee under circumstances described in section 320.035A.1.c or section 320.035A.1.d of the Collected Rules and Regulations") of the campus Faculty; and their names shall appear in the list of Officers of Instruction and Administration in the University catalog. Persons retiring from the University who do not receive the title of emeritus shall receive no title designation.

Action

1. Adoption of CRR 370.010 Grievance Procedures, UM

Adoption of CRR 370.010 Grievance Procedures, UM

It was recommended by Senior Associate Vice President Graham, endorsed by Interim President Owens, recommended by the Academic, Student and External

Affairs Committee, moved by Curator Van Matre, seconded by Curator Cupps, that the following action be approved:

that the Collected Rules and Regulations Grievance Procedure 370.010 be adopted as below.

370.010 Academic Grievance Procedure

Chapter 370: Academic Grievances

Bd. Min. 4-8-05; Extended Bd. Min. 4-4-08; Amended 12-12-08; 04-03-09; 06-17-11.

The Board of Curators, the faculty, and the administration of the University of Missouri recognize the importance of providing a prompt and efficient procedure for fair and equitable resolutions of grievances with the University without fear of prejudice or reprisal for initiating a grievance or participating in its settlement. To the extent possible, all grievances should be settled through informal discussions at the lowest administrative level, and disputed matters should be processed as formal grievances only when either party feels that a fair and equitable solution has not been reached in the informal discussions. Accordingly, the members of the faculty as defined in the rules and regulations, Section 310.020 A, including faculty who hold an administrative title or function, are encouraged to use this procedure for grievances relating to their status or activities as faculty members. Former faculty members may only use this process to grieve the non-renewal of their employment. This grievance procedure should not be used in connection with a matter relating to any administrative title or function which the faculty member currently holds or may also have had.

The success of this procedure is contingent upon the good faith effort of all participants. It is the responsibility of the Faculty Council/ Senate and Campus Administration, and the University President to encourage and sustain such efforts, and to ensure that the procedure is followed in its entirety in its spirit as well as letter. The Chancellors will be responsible for ensuring that the determination reached in a grievance is implemented. The Faculty Council/Senate Oversight Committee will monitor this process, as per 370 C.11.c.

A. Definition:

1. A grievance is defined as an allegation that one or more of the following has occurred:
 - a. There has been a violation, a misinterpretation, an arbitrary or discriminatory application of written University rule, policy,

regulation, or procedure which applies personally to the faculty member, notwithstanding that it may apply to others within or without the grievant's unit, relating to the privileges, responsibilities, or terms and conditions of employment as a member of the faculty.

- b. The faculty member has been discriminated against on the basis of race, color, religion, sex, national origin, age, disability, status as a Vietnam era veteran, or sexual orientation.
- c. There has been an infringement on the academic freedom of the faculty member.

2. This policy shall not be interpreted in such a manner as to violate the legal rights of religious organizations or military organizations associated with the Armed Forces of the United States of America.

B. Termination and Non-Renewal of Regular Faculty

- 1. The termination of regular faculty on continuous appointments, on whatever grounds, is governed by the Academic Tenure Regulations ([Section 310.020](#)) and the Procedures in Cases of Dismissal for Cause (Section 310.060) rather than this Grievance Procedure. Any matter related to the termination of regular faculty on continuous appointment cannot be grieved under Section 370.010.
- 2. The non-renewal of regular faculty on regular term appointments, on whatever grounds, is governed by the Academic Tenure Regulations (Section 310.020) rather than this Grievance Procedure. As laid out in Section 310.020.F.3., if a tenure-track faculty members' non-renewal has been unsuccessfully appealed to the Chancellor, the faculty member may use this grievance process only to allege that the decision resulted from inadequate consideration, or that the decision was based significantly on consideration violative of academic freedom, or that the decision was based significantly on considerations violative of governing policies on equal employment opportunity.

C. Grievance Process:

- 1. Grievance Resolution Panel (GRP):

Grievances shall be addressed by a standing GRP consisting of a senior administrator and two or four tenured faculty members:

- i. Two models for the GRP are possible and the model employed by each campus, as well as the number of GRP

members, will be determined by the Chancellor in consultation with Faculty Council/Senate.

- (a) Model A: Two or four GRP faculty members (plus 2 alternate faculty members) will be chosen by the Faculty Council (FC) or Faculty Senate (FS), after consultation with the Chancellor or Chancellor's designee, via an application process designed by the FC or FS.
- (b) Model B: The GRP will consist of two panels, each with two or four tenured faculty members and 2 alternate faculty members. Faculty will be chosen by FC/FS as described in Model A. above.
- ii. Faculty members may be granted release time to compensate for the effort devoted to the GRP. The amount of release time will be negotiated between the Chancellor/Chancellor's designee and the faculty member's dean/department chair.
- iii. The senior administrator member of the GRP under either Model A or B will be appointed by the Chancellor/Chancellor's designee after consultation with the FC or FS.

a. GRP members will serve up to three-year renewable terms pending FC or FS and Chancellor /Chancellor's designee approval. In the interest of continuity and consistency, faculty terms on the GRP will be staggered.

b. A conflict of interest is a situation in which financial or other personal considerations have the potential to compromise or bias professional judgment and objectivity.

- i. In the case of a conflict of interest of the senior administrative member of the GRP, the Chancellor/Chancellor's designee will appoint an alternate senior administrator after consultation with the FC/FS.

- ii. In case of a conflict of interest of a faculty member of the GRP, the FC/FS will appoint alternate faculty members of the GRP. Release time, if any, for faculty alternates will be negotiated between the Chancellor/Chancellor's designee and the alternate's dean/department chair, as needed.

2. Faculty Council/Senate Oversight Committee (OC) :

- a. The OC will monitor the grievance process. (Additional details on OC committee are provided below in section 370.010 C.11.)

3. Filing a grievance:

- a. A faculty member files a grievance by the completion of the Grievance Filing Form (GFF) (See Attached form in Appendix A) and submission of the form to the GRP.

i. The grievant may submit any relevant evidence/attachments that the grievant would like to be considered by the GRP as well as a list of additional sources of information, including persons with knowledge, subject to the limitations as to length specified in the GFF.

ii. The grievant may also request that the GRP gather any additional relevant evidence that the grievant believes exists and that is not in the grievant's possession or to which the grievant does not have access. Taking into account considerations of FERPA, HIPAA, attorney/client privilege and impact on any party or university unit, the GRP will make reasonable attempts to obtain information that it deems relevant and central to the grieved matter(s).

- b. There are three requirements the grievant must meet when filing:

i. The grieved act listed on the GFF must meet the definitional criteria in 370.010 A

ii. The grievant must demonstrate that s/he attempted to informally resolve the complaint before filing the grievance.

iii. The grievant must file the grievance within one hundred and eighty (180) calendar days after the grievant knew, or reasonably should have known, of the occurrence of the event or omission out of which the grievance has arisen. In situations where the grievance arises out of a

series of events or omissions, the filing period shall be measured from the last event or omission in the series.

(a) A faculty member who does not initiate a grievance in accordance with the 180-day calendar limit specified herein shall be deemed for purposes of these procedures to have accepted the last decision rendered by an appropriate administrative officer.

c. If the GRP determines that any of these three requirements (370.010 C.3.) are not met, they may reject the grievance. Rejections of grievances cannot be appealed.

4. Processing a grievance:

- a. The GRP will meet with the grievant to discuss the complaint and gain a greater understanding of the issues.
- b. The GRP will also name a university respondent, in consultation with both the Chancellor/Chancellor's designee and the Chair/President of Faculty Council/Senate or their designee.
- c. Early in the process, the GRP may hold one face-to-face meeting simultaneously with both the grievant and the person against whom the grievance is directed.
- d. Both the grievant and the respondent have the right to consult with an attorney of their choice, but that attorney may not be present at any meetings with the GRP. Both the grievant and the respondent may have an advisor present at meetings with the GRP but the advisor must be a current university employee and cannot act in the capacity of an attorney. The advisor may not make presentations or statements to the GRP, or any other parties present.
- e. The university respondent will be provided with the original grievance filing form and any other information gathered that the GRP deems relevant, and will be required to write a rebuttal statement.
 - i. The respondent may include any relevant evidence/attachments that the respondent would like to be considered by the GRP, as well as a list of additional sources of information, including persons with knowledge.
 - ii. The respondent may request that the GRP gather any additional relevant evidence that the respondent believes exists and that is not in the respondent's possession or to

which the respondent does not have access. Taking into account considerations of FERPA, HIPPA, attorney/client privilege and impact on any party or university entity, the GRP will make reasonable attempts to obtain information that it deems relevant and central to the grieved matter(s).

- iii. The respondent has 15 calendar days from the date that s/he is provided with the original grievance filing form to write this rebuttal statement. The respondent may submit a written request to the GRP for a time extension to prepare the rebuttal. Such extensions will be granted at the sole discretion of the GRP.
- f. The GRP will investigate, gather evidence, meet individually or jointly with either or both parties, as well as other relevant individuals. There shall be no formal hearing in this process.
- g. Based on its own investigation, the GRP may collect evidence that it deems as having relevance and centrality to the grieved matters.
- h. The GRP shall receive the cooperation of campus administrators, the collegiate dean, the department chair, the grieving faculty member, other faculty members, other University employees, and students enrolled at the University. It will be the duty of all such individuals to provide, in a timely fashion, all requested non-testimonial evidence relevant to the case.
- i. The GRP will consult with University Legal Counsel concerning legal issues of evidence, including but not limited to FERPA regulations, attorney/client privilege, and HIPPA-protected materials.
- j. All University employees must be truthful in providing testimony to the GRP and all non-testimonial evidence must be genuine and accurate. False testimony, fraudulent evidence, refusal to cooperate with the GRP and breaches of confidentiality (see section 370.010 C.12) may be the basis for a personnel action against the uncooperative individual.
- k. The grievant(s) and respondent(s) shall be promptly provided with a copy of all evidence collected by the GRP, or in the case of materials deemed confidential by the GRP, a summary of this evidence.
- l. The GRP will have three months from the date of a correctly filed grievance (see 370.010 C.3.a) to conduct an investigation and render findings and recommendations, if any.

- m. Prior to rendering its findings, the GRP will inform the parties in writing of their tentative findings and the basis for these findings, including documents collected and information received orally. The parties shall meet jointly with the GRP and each will have the opportunity to provide a 30 minute oral presentation to the GRP regarding their perspective on these tentative findings. Each party will be provided with the opportunity to make one ten minute rebuttal to the other party's presentation.
5. Potential GRP Actions
- a. The GRP has broad administrative latitude to address grievances.
 - b. At any point in the process, the GRP may:
 - i. Facilitate a settlement agreement between the grievant and the University of Missouri.
 - ii. Make a determination that the grievance has no merit. This determination is not appealable.
 - iii. Terminate a grievance if a lawsuit related to the substantive content of the grievance, as determined by the GRP, is initiated at any time. The grievant and the respondent are immediately released from requirements imposed by Section 370.010 C.12. This action is not appealable.
 - c. At the conclusion of their investigation, the GRP shall make findings and recommendations that may include, but are not limited to, the following, which will be provided to the Chancellor, Provost, the parties, and the Oversight Committee Representative:
 - i. A finding in favor of the grievant and the recommendation of remedies, if any, to resolve the grievance.
 - ii. A finding that both the grievant and the respondent have legitimate complaints and the recommendation of remedies, if any, to resolve both sets of complaints.
 - iii. A finding against the grievant with no recommendations for remedies to address the grievant's complaint.
 - iv. A finding that the respondent was subject to some adversity in connection with the aggrieved act and the recommendation of remedies, if any, to alleviate this adversity.
 - d. In the interest of solving problems, the GRP in unique position to view university functions from multiple viewpoints, may

occasionally identify areas of functioning of the University of Missouri that could be improved or changed to prevent future problems. These findings and recommendations can be provided periodically to the Provost, the Chancellor, and the Chair of Faculty Council/Senate.

6. Appeal of the GRP findings:
 - a. Within 15 calendar days, either the grievant or the respondent may appeal the GRP findings and recommendations, if any, to the Chancellor using the Grievance Appeal Form (a copy of which is attached in Appendix B).
 - b. The Chancellor will have 30 calendar days from the time it is received to act on the appeal. If the Chancellor needs more time, then the Chancellor shall provide reasons and a new estimated time via a letter to all parties (grievant, respondent, GRP, Oversight Committee representative). If the Chancellor does not act within 30 calendar days and does not provide such a letter, the decision of the GRP becomes final.
 - c. If neither party appeals the GRP decision within 15 days, then the Chancellor will have an additional 30 days to accept or reject the findings of the GRP in whole or in part, and accept, reject or modify the recommendations of the GRP. If the Chancellor needs more time, then the Chancellor shall provide reasons and a new estimated time via a letter to all parties (grievant, respondent, GRP, Oversight Committee representative). If the Chancellor does not act within such additional 30 calendar days and does not provide such a letter, the decision of the GRP becomes final.

7. Chancellor's review of the GRP Decision:
 - a. In reviewing the GRP decision:
 - i. The Chancellor, or the Chancellor's designee, may speak to the grievant and the respondent. If the Chancellor, or the Chancellor's designee, meets with one party, however, then the Chancellor or the chancellor's designee must also meet with the other party as well, although not necessarily at the same time.
 - ii. The Chancellor and Chancellor's designee will have access to all relevant documents.

- iii. The Chancellor or the Chancellor's designee may seek additional information or input as needed. If the Chancellor or Chancellor's designee seeks additional information, however, then the Chancellor shall inform the GRP and the OC representative to the grievance under consideration what additional information or input the Chancellor or the Chancellor's designee has sought.
 - b. The Chancellor may accept or reject the findings of the GRP in whole or in part, and accept, reject or modify the recommendations of the GRP. If the Chancellor rejects or modifies, the Chancellor or the Chancellor's designee shall meet with the GRP and the OC representative prior to rendering the final decision.
 - c. The Chancellor's decision is final.
 - d. Upon rendering of the final decision, the Chancellor will notify the grievant, respondent, GRP and Oversight Committee representative regarding the final outcome and remedies, if any.
8. Grievant's acceptance of the final decision:
 - a. Once a decision is final, the grievant has 15 calendar days to provide written acceptance or non-acceptance of the decision and any recommended remedies.
 - b. The grievant uses the [Grievance Acceptance Form \(a copy which is attached in Appendix C\)](#) to file a response to the final decision.
9. If the grievant fails to provide a written acceptance of the final decision or submits a Grievance Acceptance Form that rejects the final decision, the grievant suffers the loss of all remedies favorable to the grievant.
10. Grievant's legal rights:
 - a. Upon acceptance of the final decision, the grievant waives the right to bring a lawsuit concerning any matters that were a subject of the grievance.
 - b. If a lawsuit related to the substantive content of the grievance is initiated at any time, then this grievance process will immediately end and the grievant and the respondent are immediately released from requirements imposed by Section 370.010C.12.
 - c. Upon rejection of the final decision, the grievant and the respondent are released from the confidentiality requirements imposed by Section 370.010 C.12.

11. Oversight:

- a. There will be a Faculty Council/Senate Oversight Committee (OC), whose purpose will be to monitor the Grievance process as neutral observers and provide feedback on the process to the Faculty Council or Faculty Senate, the faculty and the Provost's and Chancellor's Office.
 - i. The OC will consist of 3-5 tenured faculty appointed by Faculty Council or Faculty Senate for up to three year staggered terms.
 - ii. Chair of the OC will be a member of the Faculty Council or Faculty Senate.
- b. OC monitoring of individual grievances:
 - i. A member of the OC will be appointed to each grievance case following receipt of the Grievance Filing Form by the GRP. OC members will rotate grievance case membership unless a conflict of interest is identified.
 - ii. The OC representative will sit in on all GRP deliberations and will be copied on all correspondence. If during deliberations, the OC member has process or procedural concerns, the member may raise the concerns with the GRP, without the grievant or respondent or any other parties present.
 - iii. The OC representative is an observer: The OC representative may not participate in the deliberations or rendering of findings and recommendations by the GRP.
 - iv. GRP requests for extensions of up to two weeks may be approved by the OC representative on that case. Any additional requests for extensions must be approved by the OC. The OC shall rule on such requests within five calendar days from the receipt of the request.
 - v. The OC representative shall not discuss the ongoing grievance with anyone, including other OC members, except any information necessary to the OC committee decision regarding time extension requests from the GRP.
 - vi. At the close of each grievance case, the OC representative shall present to the other OC members, and the GRP, a summative and evaluative report of the process as it relates to that particular case. These reports will not reveal any substantive information concerning grievances including but not limited to supporting materials, specific findings, and identifying information about any participant.

- c. OC monitoring of the grievance process:
 - i. The OC will continually monitor the overall grievance process.
 - ii. On a yearly basis the OC shall present a summative and evaluative report to Faculty Council or Faculty Senate Executive Committee, the Provost and the Chancellor.
 - iii. The OC will monitor the implementation of remedies resulting from the final grievance decision by communication with relevant parties, and in cases in which remedies are not being implemented the Faculty Council/ Faculty Senate will be notified.

- 12. Confidentiality:
 - a. All parties involved (grievant, respondent, GRP and OC) must agree to maintain strict confidentiality regarding any substantive information concerning grievances including but not limited to supporting materials, specific findings, and identifying information about any participant. The substance of the cases shall not be discussed at any time, before or after a final decision is made, except as provided in Section 370.010 C.5.b.iii, and 370.010 C.10.c.

Instructions for Questions Associated with Roman Numeral I - III:

The Collected Rules and Regulations list three categories of grievances and these are listed below in *Italics* (see I, II, and III). Check the box(es) associated with the category or categories of the grievance you are filing. For each relevant category, answer the questions that follow by attaching a separate word document or inserting pages at the end of this document. Please number your responses in accordance with the numbering system employed below (e.g. I-a; III-b, etc.).

I. There has been a violation, a misinterpretation, an arbitrary or discriminatory application of written University rule, policy, regulation, or procedure which applies personally to the faculty member, notwithstanding that it may apply to others within or without the grievant's unit, relating to the privileges, responsibilities, or terms and conditions of employment as a member of the faculty.

- 1) List the specific written University rule, policy, regulation or procedure that was violated, misinterpreted, or discriminatorily applied. Either cite the specific Collected Rules and Regulations number or attach relevant policies (e.g., department bylaws). If there is more than one alleged violation, list each separately.

Retirement Plan Project

It was recommended by Vice President Rodriguez, endorsed by Interim President Owens, recommended by the Compensation and Human Resources Committee, moved by Curator Bradley and seconded by Curator Steward, that the following action be approved:

- A. The Board of Curators has reviewed preliminary information and recommendations at previous meetings and has considered the recommendations from Interim President Owens and Vice President Rodriguez, and the University of Missouri Ad Hoc Retirement Plan Advisory Committee (Advisory Committee) appointed by then President Gary Forsee and comprised of several current members of the University of Missouri System Retirement and Staff Benefits Committee, four members of the Intercampus Faculty Council (IFC), two members of the Intercampus Staff Advisory Council (ISAC) and a staff member from the UM Health Care System.
- B. In its final report, the Advisory Committee reached consensus with respect to many of the issues it considered and felt compelled to acknowledge and emphasize the complexity of the issues and the difficulties inherent in attempting to weigh and balance numerous legitimate and competing interests. The Advisory Committee acknowledged that the health and wellbeing of the University is built upon the contributions of its employees and the Advisory Committee further acknowledged that it was fully aware that any decisions made by the University and the Board of Curators as a result of this project will have a significant and lasting impact on both the University and its employees for the foreseeable future.
- C. The Advisory Committee indicated in its report dated March 11, 2011, that after careful consideration of all of the information presented (both formally and informally), identifying and analyzing a number of different options, and weighing and balancing objectives and needs, it is the Advisory Committee's final recommendation, that if it is determined by the Board of Curators that the Current Retirement Plan cannot continue to be offered for new University employees hired after an unspecified future date, then its recommendation is that **the University consider a new retirement plan for new hires after some future date that provides a „combination' of the defined benefit and defined contribution designs FOR NEW EMPLOYEES ONLY.**
- D. Having considered all of the recommendations, the Board of Curators recognizes that it is important to reaffirm to retired University employees, as well as to current University employees participating in the Current Retirement Plan, that the University has every intention of honoring the

University's obligations under its Current Retirement Plan and that the Board of Curators is not considering making changes to its Current Retirement Plan that would change the amount of the retirement benefits payable under the Current Retirement Plan to retired University employees or to current University employees participating in the Current Retirement Plan.

- E. In furtherance of the above reaffirmation by the Board of Curators, it needs to be stated that the Board, like all other institutions, organizations and individuals, is unable to predict with certainty future events and future pressures, economic and otherwise, which will face future Boards of Curators as they strive to govern the University of Missouri in the best interest of all their various constituencies including, not only the University's faculty, staff, students and retirees, but also all the people and taxpayers of the State of Missouri. Therefore, the statements contained herein are *not* intended and should *not* hereafter be construed or interpreted as binding contractual obligations on the University or future Boards of Curators.
- F. In light of all the foregoing, the Board of Curators has determined that it **plans to close the Current Retirement Plan to new University employees who commence employment with the University after September 30, 2012**, and it hereby directs University administration to implement all steps necessary to accomplish this plan within the following parameters:
1. That the University intends to honor its obligations under its Current Retirement Plan to former University employees receiving current or deferred retirement benefits under the Current Retirement Plan, to current University employees participating in the Current Retirement Plan and to new University employees hired prior to October 1, 2012;
 2. That the University will continue to fund the annual required contribution for the Current Retirement Plan, with the majority of the contribution from the University and as low as reasonably possible mandatory contribution from University employees participating in the Current Retirement Plan, to assure that the University's obligations under the Current Retirement Plan are met and to assure that any unfunded liability for the Current Retirement Plan is reduced or amortized in an actuarially sound manner and in a manner that does

not place a burden solely on Current Retirement Plan participants now or at a future date; and

3. That the Retirement Plan Stabilization Fund, established in 2008, has served the University well since its inception and should be continued in order to mitigate or minimize the risk, for the University and to University employees participating in the Current Retirement Plan, so that severe or repeated economic downturns in the future would not require substantial and undesired increases in mandatory employee contribution rates. Further, that the University Board of Curators recognizes that the primary use of the Stabilization Fund should be to minimize the risk of future increases in the Current Retirement Plan required contributions, and that other use of the Stabilization Fund requires action by the University Board of Curators.

G. The University's Retirement and Staff Benefits Committee (Committee) has reviewed and by majority vote, endorsed the Advisory Committee's recommendations.

H. The Board of Curators hereby directs the University President and the Vice President for Human Resources to utilize the Committee in developing a new retirement plan for new University employees who commence employment with the University system after September 30, 2012. The work of the Committee and a recommendation for a new retirement plan for such new University employees will be presented to the Board of Curators at its October 2011 meeting or as soon as possible thereafter, and the following guidelines should be applied in the development of the proposal for the new retirement plan design:

1. The work of the Committee should build on the findings and recommendations of the Advisory Committee, specifically the combination plan design as presented in the Advisory Committee's final recommendation which includes a combination of defined benefit and defined contribution plan features.
2. The annual cost of the new plan design should be no more than the current normal cost of the Current Retirement Plan which is 7.25% of payroll. However a slight increase in cost for the new plan design is

acceptable if the University's risk and volatility of annual funding are appropriately mitigated.

3. The new plan design should include a mandatory employee contribution approximately the same as the mandatory employee contribution required of University employees participating in the Current Retirement Plan.
 4. It should include features intended to mitigate investment and other retirement plan risks for new employees participating in it.
- I. The Vice President for Human Resources and the Vice President for Finance and Administration should propose a funding model which enables the two retirement plans to be managed as a single cost to the University, and in particular a model that considers the blending of the costs of each plan.

Merit Pool

It was recommended by Vice President Rodriguez, endorsed by Interim President Steve Owens, recommended by the Compensation and Human Resources Committee, moved by Curator Bradley and seconded by Curator Steward that the following action be approved:

Fiscal year 2011-12 faculty and staff salary increases should aggregate on each campus and the system office to at least 2 percent of the 2010-2011 salary and wage base. In addition, the University is encouraged within the campuses, hospital, and other administrative units, to increase the amount of funds above 2% to further respond to critical market considerations.

Salary increases awarded to individuals must be based on relative quality of performance, but may also take into consideration factors such as market and internal equity to ensure retention of quality faculty and staff.

The effective date for pay and rate changes will be August 21, 2011, for all biweekly employees and September 1, 2011, for monthly employees.

This action is approved based on the Committee's review of university human resources issues, and is subject to approval as part of the university's overall budget for FY12.

Resolution for Retiring Missouri University of Science and Technology Chancellor John F. Carney III, Ph.D.

It was endorsed by Interim President Owens, recommended by Chairman Erdman, moved by Curator Erdman and seconded by Curator Bradley, that the resolution recognizing the dedicated service of John F. Carney III, Ph.D., chancellor of Missouri University of Science and Technology, be approved as follows:

RESOLUTION

WHEREAS, John F. “Jack” Carney III has served with distinction as Chancellor of Missouri University of Science and Technology since September 1, 2005; and

WHEREAS, Chancellor Carney was a tireless advocate for Missouri S&T’s technological prowess, which led to remarkable achievements in student success, fundraising, research productivity and economic impact, and sharing the national stage with America’s finest technological institutions; and

WHEREAS, during his tenure in Rolla, Chancellor Carney led Missouri S&T, the first technological university west of the Mississippi River, through a series of important changes, including a name change to strengthen the university’s national reputation, a renewed emphasis on energy and environmental research and education, a flatter academic administration, and an emphasis on private support during a time of decline in state funding; and

WHEREAS, Chancellor Carney saw student enrollment increase nearly 30 percent, to 7,206 students, including increases in out-of-state and international undergraduate applications; and

WHEREAS, Chancellor Carney presided over Missouri S&T's Advancing Excellence fundraising campaign, which resulted in \$211.8 million in private funds for scholarships, faculty and program support, facilities and equipment, and corporate funding for research; and

WHEREAS, Chancellor Carney secured the largest gift ever received by the campus for a faculty position, a \$3.4 million gift from alumnus Wayne Laufer and his wife Gayle to establish the first endowed faculty position for energy education and research; and

WHEREAS, under Chancellor Carney's leadership, the Rolla campus experienced the initiation or completion of several important facilities, including construction and renovation of Toomey Hall, the campus's mechanical and aerospace engineering complex; completion of the first building at Innovation Park; construction of the Miner Dome Indoor Practice Facility for athletics; and construction of the Kummer Student Design Center; and

WHEREAS, Chancellor Carney holds 10 patents and has authored more than 140 technical publications, and is widely recognized in the research community for his work in impact mechanics; and

WHEREAS, his research has led to the development and extensive implementation of reusable, maintenance-free impact attenuation devices for transportation safety applications constructed with "smart" materials that restore themselves to their original shapes following an impact, thereby eliminating the need for costly repair operations and associated liability concerns across the U.S. and around the world; and

WHEREAS, his research has led the railroad community in Great Britain to new concepts for improving the crashworthiness of trains; and

WHEREAS, in addition to his research, he has served as Chair of the Transportation Research Board Committee-Roadside Safety Features, as a longtime member of the Executive Committee of the Highway Division of the American Society of Civil Engineers, as a fellow of the American Society of Civil Engineers, and is active on numerous National Research Council committees; and

WHEREAS, in 2007, the National Academy of Sciences' Transportation Research Board recognized Chancellor Carney's life-long contributions to the field of roadside safety; and

WHEREAS, Chancellor Carney led the University of Missouri's successful statewide Energy Summit in 2009; and

WHEREAS, Jack has a distinctive accent and can "double-pock his caw" and enjoy "chowdah" with the best of Bostonians; and

WHEREAS, he is an avid Red Sox fan who knows what *all* devoted Red Sox fans know: Neil Diamond's "Sweet Caroline" is played at the bottom of the 8th; The Pesky Pole is named for the player who hit homers on the edge of the right field pole line; the ballpark is called the Green Monster because all the seats are green, except the one painted red to commemorate a Ted Williams homer; where he was when the Red Sox won the series; and when Babe Ruth was sold to the Yankees to finance the Broadway play, *No, No, Nanette*, it was hence viewed as The Curse that kept the Sox from winning the series for so many years:

NOW, THEREFORE, BE IT RESOLVED, that the Board of Curators on behalf of the students, faculty, staff, and alumni of the University of Missouri, and on behalf of the citizens of the State of Missouri, does hereby adopt this resolution in sincere appreciation of the dedicated and devoted service of Chancellor Jack Carney; and

Resolution for David R. Russell, Ph.D., former Senior Associate Vice President and Chief of Staff

It was endorsed by Interim President Owens, recommended by Chairman Erdman, moved by Curator Erdman and seconded by Curator Bradley, that the resolution recognizing the devoted service of David R. Russell, Ph.D., Senior Associate Vice President and Chief of Staff for the University of Missouri System, be approved as follows:

RESOLUTION

WHEREAS, David R. Russell joined the University of Missouri System in 1991 as Associate Director of University Relations, and served as Director of University Relations from 2000 to 2004; and

WHEREAS, he served in the Office of the President from 2004 to 2010, first as the Chief of Staff and later adding the duties of Custodian of Records, filling hundreds of Sunshine Law requests from 2005 to 2010, and in 2009 was promoted to Senior Associate Vice President; and

WHEREAS, a man of many hats, David Russell served six presidents and two interim presidents, exhibiting diplomacy and excellence in communications, public relations and administration;

WHEREAS, he served as the presidential liaison between the UM System and state higher education agencies, and coordinated the system's participation in the Missouri Council on Public Higher Education (COPHE); and

WHEREAS, David influenced the development and growth of the University of Missouri-St. Louis. Over the course of nearly 20 years, he served as liaison between UM-St. Louis and UM system central administration. Often visiting the campus, David took care to learn of UMSL's aspirations and limitations and used that knowledge to help the campus implement system policies and initiatives in a manner uniquely suited for a developing metropolitan university; and

WHEREAS, while working in a demanding position with university relations and ultimately the office of the president, David endeavored to attain a personal goal by completing his dissertation, *Missouri Higher Education Reform: Moving Up on the Public Policy Agenda*, and in 2008 earned a doctoral degree in Educational Leadership and Policy Analysis from the University of Missouri-Columbia; and

WHEREAS, David was a great listener, a trusted confidante, and a valuable sounding-board and interpreter for his colleagues. He often provided reliable advice and could readily return a stormy work environment to a sea of calm; and

WHEREAS, perhaps due to his military training, David tended to wake with the chickens and would quite frequently arrive at the office by 6 a.m.; and

WHEREAS, David has been known to be in such demand that colleagues have actually had to take a number to get in to see him; and

WHEREAS, David was the “go-to” guy, known for his willingness to do whatever needed to be done, ranging from program emcee to working on big policy issues to getting the president a glass of water during a town hall meeting; and

WHEREAS, always a gentleman, he possessed an amazing but quiet sense of humor; and

WHEREAS, an avid Mizzou Tiger athletics fan, David willingly worked in the system suite to advance the mission of the university with an eye and ear ever-bent toward the competition at hand; and in spite of his position with the university, it should be noted that upon leaving the University he had his first opportunity to attend an MU-KU men’s home basketball game; and

WHEREAS, David will remain highly regarded by the many individuals whose lives he touched in UM System departments, on the four campuses, within the health system and throughout the Columbia and higher education communities, for his professionalism, collegiality and camaraderie; and

WHEREAS, a trusted collaborator and leader, Dr. Russell will undoubtedly serve our state and the Coordinating Board for Higher Education well in his role as Commissioner of Higher Education:
