Each member of the Board is expected to serve the public trust and to exercise duties and responsibilities solely in the interest of the public, the University and the Board and not in the member's own interest, the interest of the member's spouse, parents, siblings or children or in the interest of any business with which any of the foregoing are associated.

To implement the foregoing general principles, the Board has adopted the following:

1. No member of the Board shall vote on, attempt to influence the vote of other members of the Board or attempt to influence the decision of the University with regard to any matter under consideration by the Board or by the University in which said action will result in a material financial gain or personal gain for said Board member, the member's spouse, parents, siblings or children or any business with which any of the foregoing are associated.
2. No member of the Board shall act or refrain from acting, in connection with duties and responsibilities as a member of the Board, by reason of the payment, offer to pay, promise to pay, or receipt of anything of

actual pecuniary value by said Board member, by the member's spouse, parent, siblings or children or any business with which any of the foregoing are associated.

3. No member of the Board shall use in any manner whatsoever or disclose to others confidential information obtained in connection with duties and responsibilities as a member of the Board with the intent to result in material financial gain or personal gain for said Board member, for the member's spouse, parents, siblings or children or any business with which any of the foregoing are associated.
4. Consistent with Section 320.115 of the Collected Rules and Regulations of the University of Missouri, no member of the Board shall be employed by the University, either full-time or part-time, during service as a member of the Board or for two (2) years after the cessation of such service. Further, no member of the Board shall enter into any contract to provide goods or services under contract with the University during service as a member of the Board or for two (2) years after the cessation of such service; provided, however, that such prohibition shall not apply if the goods or services are donated to the University or if the contract is entered into in conformity with the University's rules and regulations pertaining to acquisition of goods or services, the University's competitive bidding processes, if applicable, and after compliance with all applicable conflict of interest statutes and policies.
5. Consistent with the provisions of Article VII, Section 6 of the Missouri Constitution of 1945, Section 172.310, RSMo 2000 and Section 320.040 of the Collected Rules and Regulations of the University of Missouri, no person who is related by blood or marriage to any member of the Board shall, during said Board member's service as a member of the Board, be appointed to any position in the University as officer, member of any faculty or employee and no member of the Board of Curators, during the time such curator is a member of the Board of Curators, shall participate in, advocate for or influence in any way the hiring or appointment of any person as an employee at any level of the University or any affiliated entity who is related by blood or marriage to any current member of the Board of Curators within the fourth degree by consanguinity or affinity.

1. Each member of the Board shall complete and shall submit annually to the Secretary of the Board on or before August 15 of each year, the University of Missouri Board of Curators' Conflict of Interest Disclosure Form, for the purpose of disclosing to the Board and to the public said Board member's financial interests and the financial interests of the member's spouse, parents, siblings or children, including the identity of any business with which any of the foregoing are associated. Additionally, all current members of the Board, as of August 15, 2006, and in the future new Board members, upon initial appointment to the Board of Curators, shall file with the Secretary of the Board of Curators a listing containing the name of the member's

spouse, parents, siblings and children together with their current place of employment and the name of any business in which the person has an ownership interest in excess of ten percent. A Board member shall promptly update this listing when warranted by a change in circumstances.

2. If a member of the Board reasonably believes that the member or another Board member has a conflict of interest, a potential conflict of interest or reasonably believes that the general public might perceive that a conflict of interest exists with regard to any matter that is under consideration by the Board, the member shall report such conflict of interest, potential conflict of interest or perceived conflict of interest to the Chair of the Board at the earliest opportunity and, if possible, prior to any discussion, deliberation or vote by the Board on that matter. Unless the member of the Board voluntarily agrees to abstain from all such discussions and voting on the matter, the Chair of the Board shall determine whether an actual or perceived conflict of interest exists and, if so, shall request that such member of the Board refrain from all such discussions and voting on the matter. If the Chair of the Board is the Board member whose financial or personal interest is at issue, the Vice Chair of the Board shall determine whether an actual or perceived conflict of interest exists and, if so, shall request that the Chair of the Board refrain from all such discussions and voting on the matter. In all cases the Board is the final authority on conflict of interest issues. The Board member whose financial or personal interest is the subject of any vote shall not be eligible to vote thereon.
3. If a member of the Board becomes aware that the University is about to engage in a permitted transaction, as defined below, with the Board member, the member's spouse, parents, siblings or children or with any business with which any of the foregoing are associated, the Board member shall inform the other members of the Board at the earliest opportunity and, if possible, prior to the execution of the permitted transaction. The disclosure required in this paragraph shall be required whether or not the Board is expected to be involved in discussing or approving the permitted transaction.

WHEREAS, In light of the U.S. Supreme Court's decision in Students for Fair Admissions, Inc. v. President and Fellows of Harvard College, 600 U.S. 181 (2023), and the directive from Missouri Attorney General Andrew Bailey to all Missouri institutions dated June 29, 2023, the University is required to discontinue immediately use of race or ethnicity criteria or preferences for scholarships and other valuable program benefit awards.

WHEREAS, In accordance with these authorities, the Office of General Counsel has determined that provisions or portions of provisions in any endowment or gift agreement

of the University, regardless of form or funding source ("Endowment or Gift Agreement"), reciting any racial or ethnic criterion or preference in the scholarship or other valuable program benefit award process ("Racial Criteria") are unlawful, and has recommended to all Financial Aid and Advancement Offices that no future awards shall be made therefrom with use of such Racial Criteria.

WHEREAS, certain Endowment and Gift Agreements bear the following clause, or similar derivations of the following clause, which permits amendment of such Endowment and Gift Agreements by the Board of Curators ("Board Amendment Clause") :

Realizing that the human mind cannot predict the circumstances of the future, the Board of Curators is hereby authorized to change the terms and conditions for the handling of this fund, if, in its judgment, it becomes advisable to do so in order to better carry out the original purpose and intent of the fund.

NOW THEREFOR, be it Resolved by the Board of Curators as follows:

1. Findings. The Board of Curators, in its judgment, deems it advisable to amend the terms and conditions of all Endowment and Gift Agreements containing Racial Criteria.

2. Amendment of Endowment and Gift Agreements. For all Endowment and Gift Agreements which contain Racial Criteria, and which contain a Board Amendment Clause, all Racial Criteria are hereby deemed to be amended and removed, with all remaining portions of the applicable Endowment or Gift Agreement to remain in force and unaffected thereby, and to be administered in accordance with such remaining portions only for all future awards. A copy of this Board Action should be attached to each applicable Endowment or Gift Agreement.

3. Further Authority. The President, the Executive Vice President for Finance and Operations, Chief Financial Officer and Treasurer (EVP), and the General Counsel or their designees, as well as each officer or employee of the University charged with awarding or administering the amended Endowment and Gift Agreements are hereby authorized and directed to, take such further action and execute and deliver such other documents and instruments as may be necessary or desirable to carry out and comply with the intent of this Board Action, and to carry out, comply with and perform the duties of the University with respect to the amended Endowment and Gift Agreements.

4. Severability. The sections, paragraphs, sentences, clauses and phrases of this Board Action shall be severable. In the event that any such section, paragraph, sentence, clause or phrase of this Resolution is found by a court of competent jurisdiction to be invalid, the remaining portions of this Resolution are valid, unless the court finds the valid portions of the Board Action are so essential to and inseparably connected with and dependent upon the void portion that it cannot be presumed that the University has enacted the valid portions without the void ones, or unless the court finds that the valid portions, standing

alone, are incomplete and are incapable of being executed in accordance with the legislative intent.

5. Governing Law. This Board Action shall be governed exclusively by and construed in accordance with the applicable laws of the State of Missouri.
