

## AMENDED DESIGNATION OF THE COVERED COMPONENTS OF THE CURATORS OF THE UNIVERSITY OF MISSOURI

WHEREAS, Title II, Subtitle F of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) contained certain requirements pertaining to Administrative Simplification which requirements include the promulgation of privacy regulations by the Secretary of the United States Department of Health and Human Services (the "Secretary");

WHEREAS, as required by the HIPAA, the Secretary has promulgated the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Part 160 and Part 164, Subparts A and E (" Privacy Rule");

WHEREAS, the Privacy Rule is applicable to health care plans and all persons and entities that are health care providers who transmits any health information in electronic form in connection with a transaction covered by the Privacy Rule;

WHEREAS, The Curators of the University (" University") has determined that certain portions of the diverse activities of this University would cause the University to become subject to the Privacy Rule;

WHEREAS, the Privacy Rule permits a single legal entity that engages in both covered and non-covered function to declare itself to be a "Hybrid Entity" and to designate in writing its covered components for purposes of establishing and those portions of the single legal entity that will be required to comply with the requirements of the Privacy Rule;

WHEREAS, the establishment of a Hybrid Entity is recommended because it will serve to clearly identify those portions of the University that are both covered and not covered by the Privacy Rule and thereby foster compliance within the covered components while simultaneously clarifying the non-covered status of the remaining portions of the University;

WHEREAS, Section 20.020 of the Collected Rules and Regulations of the University of Missouri provides that the President is delegated the general power to act for and on behalf of the Board of Curators and the Curators of the University of Missouri subject only to the Bylaws, Board Rules and Regulations or specific instructions of the Board. He shall be the chief executive and academic officer of the University and all faculty and other University employees shall be under his control and supervision, and he shall be in charge of all academic, public, business, financial and related affairs of the University under the policies and general supervision of the Board.

NOW THEREFORE, pursuant to the authority that has been delegated to me as the President, I do hereby declare the following to be the covered components of the University:

THE UNIVERSITY OF MISSOURI SYSTEM:
