Regional Medical Plan Eligibility

Kansas City Core Network Plan

If you are a benefit-eligible faculty or staff member with a home address or work address in an eligible region, that region's plans are available to you. You may be eligible for more than one region's plans. While some plan structure details between regions may be the same or similar, the network of providers receiving preferred/discounted rates is different. Differences in premium cost between regions are due, in part, to these network differences.

The Kansas City area region is for employees who live or work in the following **Missouri counties:** *Cass, Clay, Jackson, Johnson, Lafayette, Platte and Ray*, and **Kansas counties:** *Johnson and Wyandotte*.
