Notes:

- (1) \$1,000,000 was reallocated from the base and line-itemed for existing engineering programs. This was never allocated because it was used to offset additional withholding in FY 1991 and core cuts in FY 1992.
- (2) Total withholding of 5.5%. Campuses were allocated 5% and the system made up the difference.

Notes:

(1) Used to offset withholding in FY 1992 and FY 1993, and allocated to UMSL in FY 1994.

(2) UM System funded \$1 million of the core reduction off the top. The remaining reductions were funded as a % of the state base (2.25%).

(3) \$175,000 of the withholding was released for matching funds on the Capsule Pipeline Research Grant and was transferred to restricted funds. These funds are not reflected in the withholding or state appropriation numbers above.
