## Overview

This document contains the approved rates for student housing, activity, facility, and health service fees for fiscal year 2021 and other supporting materials as submitted by each campus in the University of Missouri System. This information was prepared in support of housing fee changes that become effective in the Summer Session 2020 and activity, facility, and health service fee changes that become effective in Fall Session 2020.

Table 1 shows a summary of Board approved undergraduate tuition, fees and room and board for academic year 2021 compared to 2020. Activity, facility and health service fees along with the information technology fees are referred to as required fees. The tuition and required fee rate changes are in compliance with Higher Education Student Funding Act (HESFA, SB389) (section 173.1003; RSMO) unless otherwise noted. FY2020 total tuition and required fees will change by 5.1% at **MU**, 5.8% at **UMKC**, 5.3% at **S&T**, and 5.6% at **UMSL**. **UMSL** has a comprehensive tuition rate that combines per credit hour tuition rates with activity, facility, and health service fees, which are charged to all students. As a result, there will be no separate assessment of activity, facility, and health services fees for **UMSL** beyond FY2014. **UMSL**'s FY 2021 rate will increase by 5.6%.

## Housing System Highlights

### Room and Board Contract Rates

Many housing and dining opportunities are available to MU, UMKC, Missouri S&T, and UMSL students. On-campus living has been provided on our campuses for many years and continues to provide these valuable benefits:

- Improves student academic success
- Improves the likelihood of continuance and graduation
- Improves connection to other students by living in a community
- And includes better security and safety from campus police and security measures.

Fee proposals were prepared under the direction of the Vice Chancellors or Vice Provosts for Student Affairs on each campus. Planning for fee changes is conducted using operating assumptions unique to each campus and activity, within the context of general economic guidelines communicated by UM System Office of Finance. Student housing and dining rate proposals were developed with input from affected students and Residence Hall Associations. These groups had the opportunity to review, ask questions, and provide comments as proposed room and board rates and plans were developed.

Room and board charges vary across the four campuses and within each campus based on the residence facility and meal plan selected by the student. Table 2 summarizes the approved changes in the predominant room and board plans on each campus as well as showing the range of plans available. Based on the predominant room and board plan on each campus, rates changed by 0.2% at **MU**, 2.4% at **UMKC**, 1.5% at **S&T**, and 0.7% at **UMSL**. These changes are driven by various factors that impact housing and dining differently and also the campus operations differently including but not limited to utility costs, debt service, food costs, labor costs, and contractual arrangements with third party vendors. Tables 2a - 2d detail the type of rooms and meal plans that are available on each campus as well as the approved rates for each plan.

## MU

Benefits of living on campus are proven across the nation and by our own data, which shows students who live in our residence halls are more likely to stay enrolled and graduate in four years than their peers who do not. Housing rates support MU's nationally recognized living and learning programs, which have significantly increased students' academic achievement, retention, and graduation for many years. In addition, rates support in-hall programming and early alert programs.

Fee proposals were prepared under direction of the Vice Chancellor for Student Affairs at MU. Planning for fee changes is conducted using operating assumptions unique to the campus and activity within the context of general economic guidelines communicated by UM System Office of Finance. Through an emphasis on customer service and strategic marketing, Residential Life attained a 94% occupancy rate this fall, with students currently living in all but one residence hall, which is leased by MU Health.

The recommended predominant room and board plan will cost \$9,672 per academic year for FY2021 and consist of a weighted average cost of the traditional double room and the Tiger Plan Plus dining plan which offers dining anywhere on campus with an average of 12 meals per week.

While developing the pricing strategy for FY2021 MU focused on three overarching goals.

- Maintaining low-cost options
- Keeping prices competitive with market
- Increasing rates in select areas based on demand

Housing rates for FY2021 in University owned housing range from a high of \$9,995 per academic year for a single suite open over breaks to a low of \$5,999 for a traditional double room in Hatch hall. In setting rates, MU segmented housing inventory into three different group by demand profile: low-cost, mid-range, and premium housing options and structured pricing accordingly.

- Low-cost and mid-range traditional double room will remain flat at \$5,999 per academic year (\$667/month) and \$6,550 per academic year (\$728/month), respectively.
- Premium traditional double room (43% of traditional double room inventory) will increase to \$7,270 per academic year which is a 2% increase (\$145 per academic year).
- Rates will increase more than 2% in select singles, suites and high-demand halls. This ensures responsible financial management while managing demand and keeping the rate structure as simple as possible.

- The weighted average cost included in the predominant room and board plan is \$6,722, which is 1.0% higher than prior year.

Due to the increase in enrollment, MU has a three-year master lease (FY2021-FY2023) with an off-campus property. In addition, Responsibility Hall (184 beds) will return to housing inventory in FY2021 to accommodate a growing freshman cohort and higher demand for housing by Mizzou Moberly Area Community College (MACC) students and returning students.

Housing rates for off-campus housing units range from a high of \$10,295 per academic year for a single suite in a premium apartment to a low of \$4,375 for a single suite in a low-cost apartment. The option to extend leases at Mizzou at Campus Lodge and Mizzou at UCentre will be decided later this year and will be \$4,375 and \$10,295, respectively. The rate at Mizzou at The Rise will be \$10,295 as well. However, in case there is an unexpected need to enter into an additional lease late in the spring, MU requests the ability to choose a rate within the recommended range in order to have the flexibility to effectively price rooms based on the terms of the lease and available amenities. All recommendations to the Board for approval for an off-campus lease will include a recommended room rate for that location.

Dining plans will continue to offer flexibility and include low-cost options. Student can choose from four plans ranging from \$3,760 for 275 meals/semester to a low of \$1,650 for a flexible dining plan option that works at all locations (including the student Center). The dining plan anticipated to be selected most by students next year will be \$2,950, a flexible dining option, which is \$50, or 1.7% less expensive than the current year.

MU recognizes the cost to students and their families when student have to move out for breaks, Residential Life will continue to remain open for fall, winter and spring breaks. In addition, the popular "365 housing" option will continue for students who need housing year-round. Currently, many students are without housing the second half of May and first half of August, when apartment complexes are turning rooms over. Returning students who select 365 housing will be able to either stay in their room or move into a new room in May without any break in housing.

### **UMKC**

The predominant room and board plan at **UMKC** for FY2021 will cost \$10,881 per academic year and consists of a traditional double room and 180 meals plus \$175 in Flex cash per semester. This is an increase of 2.3% over FY 2020.

UMKC is recommending a 2.0% rate increase for FY2021 in University owned residence halls and apartments. In order to accommodate for rooms impacted by water damage at Oak Place Apartments, UMKC will continue to offer third-party housing options which include JPII and UMKC Homes. Housing rates for off-campus housing units range from a high of \$9,303 per academic year for a double apartment at UMKC Homes to a low of \$7,521 for a 6-person suite at JPII. The only rate increases above 2.0% represent increases in JPII apartments, which represent leased units by the University. These price increases reflect the cost of the University's lease and align with market rates for similar apartments in the area.

The recommended rates are a balance between meeting the financial needs of the housing auxiliary and affordability for students. In order to not grow out of the market, rate increases are also sensitive to other housing options in the area. UMKC Residential Life management is working to improve occupancy and market demand, while also balancing the financial viability of the housing function.

UMKC food service is outsourced to a third-party vendor. Five different meal plans are available ranging from a high of \$3,774 per academic year for a 140 meal block with \$300 in Flex cash per semester to a low of \$3,371 for 12 meals per week with \$175 in Flex cash per semester. Meal plan costs are still under negotiation but will not increase more than 3.2%.

### **Missouri S&T**

The predominant room and board plan at **Missouri S&T** for FY2021 will cost \$10,360 per academic year and consists of a renovated double room and 225 meals plus \$150 declining balance per semester. The increase in the predominant room and board plan at Missouri S&T is 1.5% or \$150 for the academic year.

The recommended rates are a balance between meeting the financial needs of the housing auxiliary and affordability for students. The rates were made with the objective of making minimal increases to rooms with the least demand and greater increases for rooms in more desirable halls. Room rates range from a high of \$9,490 per academic year (a 2.4% increase from prior year) for a single bedroom/apartment style room in University Commons, which is the newest facility, to \$5,500 per academic year (a 1.4% increase from prior year) for a double basement room in Farrar Hall, which is the oldest residence hall.

S&T has five different meal plans available ranging from a high of \$3,760 for all access in Thomas Jefferson plus \$100 declining balance per year to a low of a \$1,950 declining balance per year. S&T is requesting an average 1.8% increase across the five options ranging from 3.4% to -0.4%, this decision was based on contracted obligations from the third-party provider and demand for the meal plans offered.

## **UMSL**

The predominant room and board plan at **UMSL** for FY2020 will remain unchanged at \$10,411 per academic year. The predominant plan consists of a single room in Oak Hall and a 100 block meal plan plus \$350 declining balance dollars per semester.

Housing rates will remain flat. Housing options range from a high of \$6,790 per academic year for a single room in Oak Hall to a low of \$4,750 per academic year for a small single room in Villa Hall. Summer rates also will remain flat. In addition to flat housing rates, UMSL offers housing scholarships to first-time full-time college students living at least 50 miles from campus. A one-time renewal of the scholarship requires a 3.0 GPA and completion of at least 24 credit hours in 2 semesters.

UMSL's food service is outsourced to a third-party vendor. Four meal plans are offered and range from a low of \$3,621 per academic year for a 100 meal block with a \$350 declining balance per semester to a high of \$4,182 for a 200 meal block with a \$150 declining balance per semester. Meal plan costs are still under negotiation but will not increase more than 2.0%.

### **Family Housing**

MU's rates for family student housing will increase from 0.0% to 2.2%. UMSL's rates will not increase for the FY2021 academic year. UMKC and S&T do not offer family housing.

### **Activity, Facility, and Health Service Fee Highlights**

Table 3 shows a summary of activity, facility, and health services fees by term for FY2020 and FY2021, while Tables 3a-3c present details of these activity, facility and health service fees by campus.

These fee proposals were prepared under the direction of the Vice Chancellors or Vice Provosts for Student Affairs on each campus. Planning for fee changes are conducted using operating assumptions unique to each campus and activity, within the context of general economic guidelines communicated by the Finance Division. Appropriate advisory groups, affected students, and/or their elected officers reviewed and supported the activity, facility, and service fee proposals.

Increases in undergraduate activity, facility, and service fees per semester are 2.8% or \$13.27 at MU, 2.3% or \$12.52 at UMKC, and 2.3% or \$11.30 at Missouri S&T. The detailed fee schedules are at the end of this section. These rate changes are in compliance with the HESFA (SB 807 & 577). Graduate and professional student fees increase by 2.8% at MU, and 2.3% at UMKC and Missouri S&T.

Fees are assessed predominantly on a per credit hour basis with a plateau of 12 credit hours per semester and six credit hours for the summer session. However, at MU, the graduate and professional student plateau is nine credit hours per semester. Some fees are assessed at a flat rate per semester, or have a lower plateau, such as the student services fee at Missouri S&T.

At MU total student activity, facility, and service fees per semester are proposed to increase by 2.8% or \$13.27 for undergraduate students and \$12.45 for graduate and professional students. MU Student Activity Fees include fees to fund: Student Government, Student Organizations, Multicultural Student Organizations, Readership Program, Sustainability Program, Sports Clubs, Associated Students, Capital Improvement, Divisional Councils, Transportation System, Student Unions, Student Life, Counseling Center, Jesse Auditorium, MU Libraries, and Technology.

The MU Student Fee Review Committee, which is comprised of a representative mix of undergraduate and graduate students, annually reviews activity, facility, and health service fees in detail. They make a recommendation to the Vice Chancellor of Student Affairs regarding any increases or reallocations. The proposed increases represent the Committee's recommendations.

UMKC total student activity, facility, and service fees will increase at 2.3% or \$12.52. The student activity fee provides funding for the student government association, academic student councils, student organizations and clubs, and student involvement. The athletic fee supports UMKC's NCAA Division I intercollegiate athletics program. Facility fees include the University Center, student union, physical plant facility fee, and recreation facility fee, which funds the Swinney Recreation Center and student intramurals. The student health fee provides health services and outreach to students.

Missouri S&T total student activity, facility, and service fees are increasing by 2.3% or \$11.30 a semester for undergraduate and graduate students.

In FY 14 the UMSL campus restructured their tuition and required fees into a base tuition rate. The campus no longer assesses student activity, facility, and service fees separately.

Note: \* The Club Sports fee of 53.45 was moved from the Student Activity fee to the Recreation Activity and Facility column in FY17. Club Sports are managed and supported by MizzouRec already, so it makes sense to rearrange the funding in this way.

- 1.) Undergraduate Student Activity Fees include fees to fund: Student Government, Student Organizations, Readership Program, Sports Clubs, Legion of Black Collegians, Associated Students, Capital Improvements, Divisional Councils, Transportation System, Memorial Union, Student Life, Counseling Center, Jesse Auditorium, and Parking Garage. These fees are assessed per credit hour with a full fee plateau at 12 credit hours.
- 2.) Graduate/Professional Student Activity Fees include fees to fund: Student Government, Student Organizations, Readership Program, Sports Clubs, Associated Students, Capital Improvements, Divisional Councils, Transportation System, Memorial Union, Student Life, Counseling Center, Jesse Auditorium, and Parking Garage. These fees are assessed per credit hour with a full fee plateau at 9 credit hours.
- 3.) Graduate/Professional Student Activity Fees were formerly assessed with a full fee plateau of 12 credit hours. Graduate Students were predominantly enrolled for 9 hours while Professional Students were taking 12-15 hours. As a result both groups were paying differing amounts of activity fees for the same services. The change to a 9 hour plateau equalizes the charges to all Graduate/Professional students.
- 3.) Professional Student Activity Fees include fees to fund: Student Government, Student Organizations, Readership Program, Sports Clubs, Associated Students, Capital Improvements, Divisional Councils, Transportation System, Memorial Union, Student Life, Counseling Center, Jesse Auditorium, and Parking Garage. These fees are assessed per credit hour with a full fee plateau at 12 credit hours.
