

Enter your delivery zip code for a customized shopping experience.

When you access your Staples account through your eProcurement system, you will be prompted to enter your delivery ZIP code every time you shop.

By entering your delivery ZIP code, you will be presented with the most accurate product availability and estimated delivery date as you shop.

If you do not enter the delivery ZIP code when first prompted, go to “Set Your Delivery ZIP” in the upper right corner of your account.

To change your delivery ZIP code, just click on the ZIP code and type in a new one.
