This form is for individuals who have enrolled in the Healthy Savings Plan, a qualified high-deductible health plan. Enrolling in a Health Savings Account (HSA) through the university signs you up for a group HSA with Optum Bank.

Qualifications for Enrollment

To open a Health Savings Account, you must meet the following criteria:

- You must be covered by a qualified high-deductible health plan (UM Healthy Savings Plan), on the first day of the month.
- You cannot be covered by another health plan, including any part of Medicare (if you are 65 or older and drawing Social Security, you are automatically enrolled in Medicare which will disqualify you).
- You cannot be claimed as a dependent on another individual's tax return.
- You, or your spouse through his or her employer, cannot be enrolled in a general purpose healthcare flexible spending account (FSA). If you were enrolled in an FSA for 2024, you must have a zero balance in your FSA prior to January 1, 2025, for 2024 HSA contributions to start in January 2025. Otherwise, contributions cannot be made until April 2025.
