Group Medicare Advantage

With a UnitedHealthcare® Group Medicare Advantage plan, you get more

The University of Missouri (UM) has selected UnitedHealthcare® to provide health care and prescription drug coverage to their Medicare-eligible retirees and their dependents. UM and UnitedHealthcare have worked closely together to create 2 Group Medicare Advantage (PPO) plan options – a Base Plan (Group number 13796) and an Enhanced Plan (Group number 13797). The Base Plan has improved features. The Enhanced Plan, which may have higher premiums, provides coverage comparable to a Medicare Supplement Plan F. When you enroll in one of these Medicare Advantage plans for health coverage, you must also enroll in the matching prescription drug plan — Base with Base, or Enhanced with Enhanced.

Read through this Plan Guide to get to know your Medicare Advantage plan options

The guide includes:

- Descriptions of the 2 plan options and how they work
- Information about benefits, programs and services, and how much they cost
- What you can expect after you're enrolled in a plan

Please keep this Plan Guide. It has information that will be helpful once you become a member.

More from your health plan

These PPO plans are Medicare Advantage plans, also known as Medicare Part C. They have all the benefits of Medicare Part A (hospital coverage) and Medicare Part B (doctor and outpatient care) plus extra programs that go beyond Original Medicare (Medicare Parts A and B). Medicare has rules about what types of coverage you can add or combine with a group-sponsored Medicare Advantage plan.

Here's how these PPO plans work

Get care from providers in or out-of-network as long as they accept Medicare and the plan

You don't need a referral to see a specialist or other provider

Select a primary care provider (PCP) to oversee and help manage your care

It's not required, but it's very beneficial for your long-term health and well-being.

You pay a standard copay or coinsurance, or \$0 in some cases, to see a provider in or out-of-network

We work closely with our network (contracted) providers to make sure they have access to resources and tools to help them work with you for better health outcomes.

This plan has a maximum annual out-of-pocket amount

If you reach the limit, the plan will pay 100% of your Medicare-covered services for the rest of the plan year.

Emergency and urgently needed services are covered anywhere in the world

To search for a network provider, visit retiree.uhc.com/umsystem.

+ More ways to learn about your plan

It's important that you understand your plan and what benefits are covered. You can find the Provider Directory and more at retiree.uhc.com/umsystem.

Review the online Provider Directory to see if your providers are in the network

It's okay if they're not. This plan allows you to see out-of-network providers at the same cost share as long as they accept Medicare and the plan.

Review the Summary of Benefits in this guide to see how much you'll pay for medical services

You can also review the Summary of Benefits online.

If you're not sure if you are enrolled in Medicare Part B, check with Social Security at ssa.gov/locator or call 1-800-772-1213, TTY 1-800-325-0778, 8 a.m.–7 p.m., Monday–Friday, or call your local office.

You may be disenrolled from this plan if you stop paying your Medicare Part B premium.

You're eligible to enroll in this plan if you:

Are entitled to Medicare Part A and enrolled in Medicare Part B.

Continue to pay your Part B premium (unless it's paid for you).

Remember: If you drop or are disenrolled from your group-sponsored retiree coverage, you may not be able to re-enroll. Limitations and restrictions vary by former employer or plan sponsor.

Statements of understanding

By enrolling in this plan, I agree to the following:

- ✓ **This is a Medicare Advantage Plan contracted with the federal government. This is not a Medicare Supplement Plan.**
I need to keep my Medicare Part A and Part B, and continue to pay my Medicare Part B and, if applicable, Part A premiums, if they are not paid for by Medicaid or a third party. To be eligible for this plan, I must live in the plan's service area and be a United States citizen or be lawfully present in the U.S.
- ✓ **The service area includes the 50 United States, the District of Columbia and all U.S. territories.**
I may not be covered while out of the country, except for limited coverage near the U.S. border. However, under this plan, when I am outside of the U.S. I am covered for emergency or urgently needed care.
- ✓ **I can only have one Medicare Advantage Plan at a time.**
 - Enrolling in this plan will automatically disenroll me from any other Medicare health plan.
 - If I enroll in a different Medicare Advantage Plan, I will be automatically disenrolled from this plan.
 - If I disenroll from this plan, I will be automatically transferred to Original Medicare.
 - Enrollment in this plan is for the entire plan year. I may leave this plan only at certain times of the year or under special conditions.
- ✓ **My information will be released to Medicare and other plans, only as necessary, for treatment, payment and health care operations.**
Medicare may also release my information for research and other purposes that follow all applicable federal statutes and regulations.
- ✓ **For members of the Group Medicare Advantage Plan.**
I understand that when my coverage begins, I must get all of my medical benefits from the plan. Benefits and services provided by the plan and contained in the Evidence of Coverage (EOC) document will be covered. Neither Medicare nor the plan will pay for benefits or services that are not covered.
