

# INTRODUCING Percipio

**Access Percipio:**

<https://umssystem.percipio.com/>

**Percipio is our new learning state-of-the-art platform with engaging content, curated into 700+ subject channels and learning journeys.**

Percipio Introduction Video  
(4:01)

[Watch the short video](#) to learn how to begin using Percipio.

## Percipio Features

- Ease of use – a modern, simple, intuitive design
- Curated learning channels such as customer service, performance, and management topics
- Watch, Read, Listen, & Practice professional development learning options to meet your needs

**When you first access the site, you will have the opportunity to select areas and subjects of interest (such as customer service, performance, and management) to personalize your home page.**

[Percipio Introduction Video](#)

## Review the main elements of the Percipio homepage:

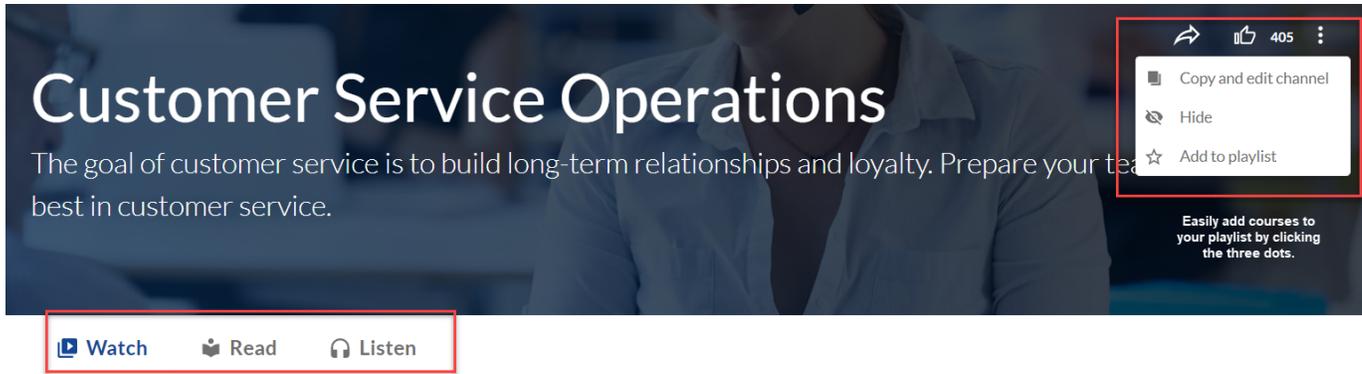

1. Find topics by quickly using the **Search bar**.
2. Pick up where you left off by reviewing the **Resume Learning** section.
3. Keep track of what you need to do in **My Assignments**.
4. See content you've set aside under the **My Playlist** section.
5. Explore recommended content based on your interests in the **Your Interests** sections.
6. Filter content by modality by clicking **Watch, Read, or Listen**.

# Watch - Read - Listen - Practice

Choosing how to learn is one of the best parts of Percipio. You have the option to **Watch, Read, or Listen** to a full range of videos, books, and audiobooks. Then you can **Practice** your new skills.

It's simple and easy to explore the different modalities of content. When you are looking at a Channel or a list of search results, click the **Watch, Read** or **Listen** icons to either view videos, read books, or listen to audiobooks.

## Discover Training Content

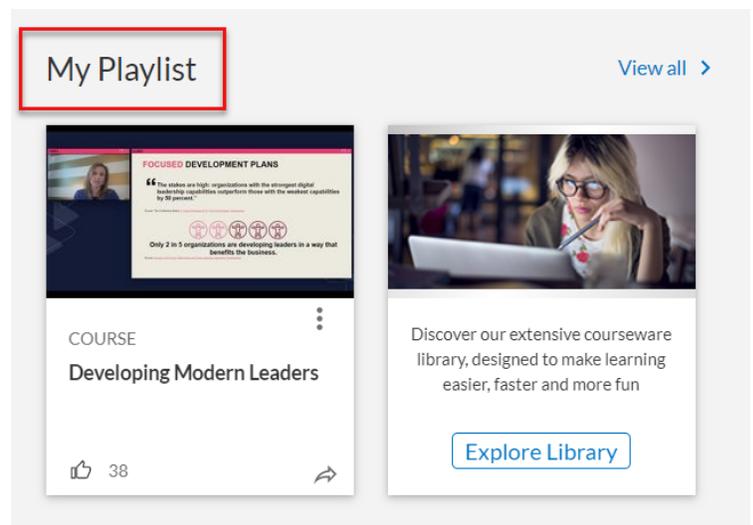

With Percipio you can:

- Discover content quickly from your Percipio home page through an intuitive search
- View content channels with learning resources organized by competencies and topics
- Save your favorite content to a personal Playlist
- Track your activity in Percipio to help assess your learning progress
- Access content anytime, anywhere through your mobile device

**Explore the library:** Browse the content library and certification training offerings.

**Search Percipio:** Use keywords to find content available in different channels and topics.

**Percipio home page:** See what content is trending across Percipio, resume learning you've already started, and view recommendations based on your selected skill areas of interest.

# Compliance Training Assignments

Compliance training assignments are accessed directly from your Percipio home page.

## Percipio Compliance

Effective ethics and compliance training is more than just a formality in the onboarding process. Workplace compliance training should be viewed as part of the organization's overall business strategy, and integrated directly into every employee's daily workflow. Thoughtfully designed compliance programs can help drive key business objectives, reduce the exposure to risk, and reinforce the company's positive culture.
